About the project

GHAZAL MUSIC - is a YouTube channel that plays soft arabic and international lullabies. Our friend Ghazal helps your children relax and get ready for lovely dreams in their peaceful angelic sleep. The channel comes from different perspectives for meditation, and relaxing, in addition to sweet, emotional bedtime stories that always have happy endings for your babies and children.

It is a pleasure for me to be part of delivering this amazing message that this channel holds to create healthy, ambitious and glamorous new generation.
