Meet the Designer

JINAN KILANI

Jinan, founder and head designer of Jinan Designs, has been working in the design industry for 5 years.

She defines herself as ambitious, self-motivated, and confident with limitless imagination and creative drive. Jinan is specialized in brands, visual identities, photography, and graphic design. Her design motto is to blend creativity with everything.

The vision is to get Jinan Designs to be a well-known brand that operates globally. My focus is to provide a high-quality professional design that pursues the client's expectations.

Let the magic begin!

Brand Colors

How the brand colors were chosen

The start was with a mood board filled with all things I love. The colors were mixed and matched together giving fun & colorful vibes!

I Love blueberries, Flamingos, all glitter things, fall leaves, and vibrant green cactus.

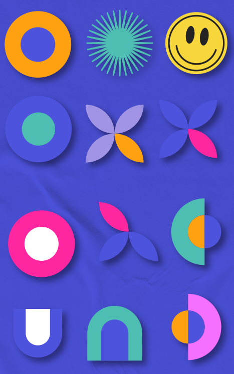
Iconography

Icons and shapes uses that are fun
and dynamic.



Social Media

@jinan.designs

Social media feed design is about setting your brand's point of difference on social and ensuring you have the right assets to get this message across and show my work in a creative visual by following a pattern when posting on Instagram.
