How We Work

This is a big one and I consider it one of the most important things for a designer to get right.

1. User Journey Map
Better a diamond with a flaw than a pebble without one.

2. Digital Wireframe
Better a diamond with a flaw than a pebble without one.

3. Clickable Prototype
Better a diamond with a flaw than a pebble without one.

4. Visual Design
Better a diamond with a flaw than a pebble without one.
