

Ramadan is a holy month for Muslims

Highlighting the monthly rituals that occur during the holy month of Ramadan:

- The family gathers to eat during the night
- The mother who embraces the family
- Al-Saharati (the one who beats the drum to wake people up for suhoor).  
Ramadan decorations and Ramadan lantern
- Whoever prays Laylat al-Qadr (the holiest night of the month)

And support it with the joy-filled congratulatory phrases that Muslims use to congratulate each other during the month
