

Piece Of Nature

collection of illustrations I try to capture warm and pleasant moments in them. Harmony and tranquility vibes.

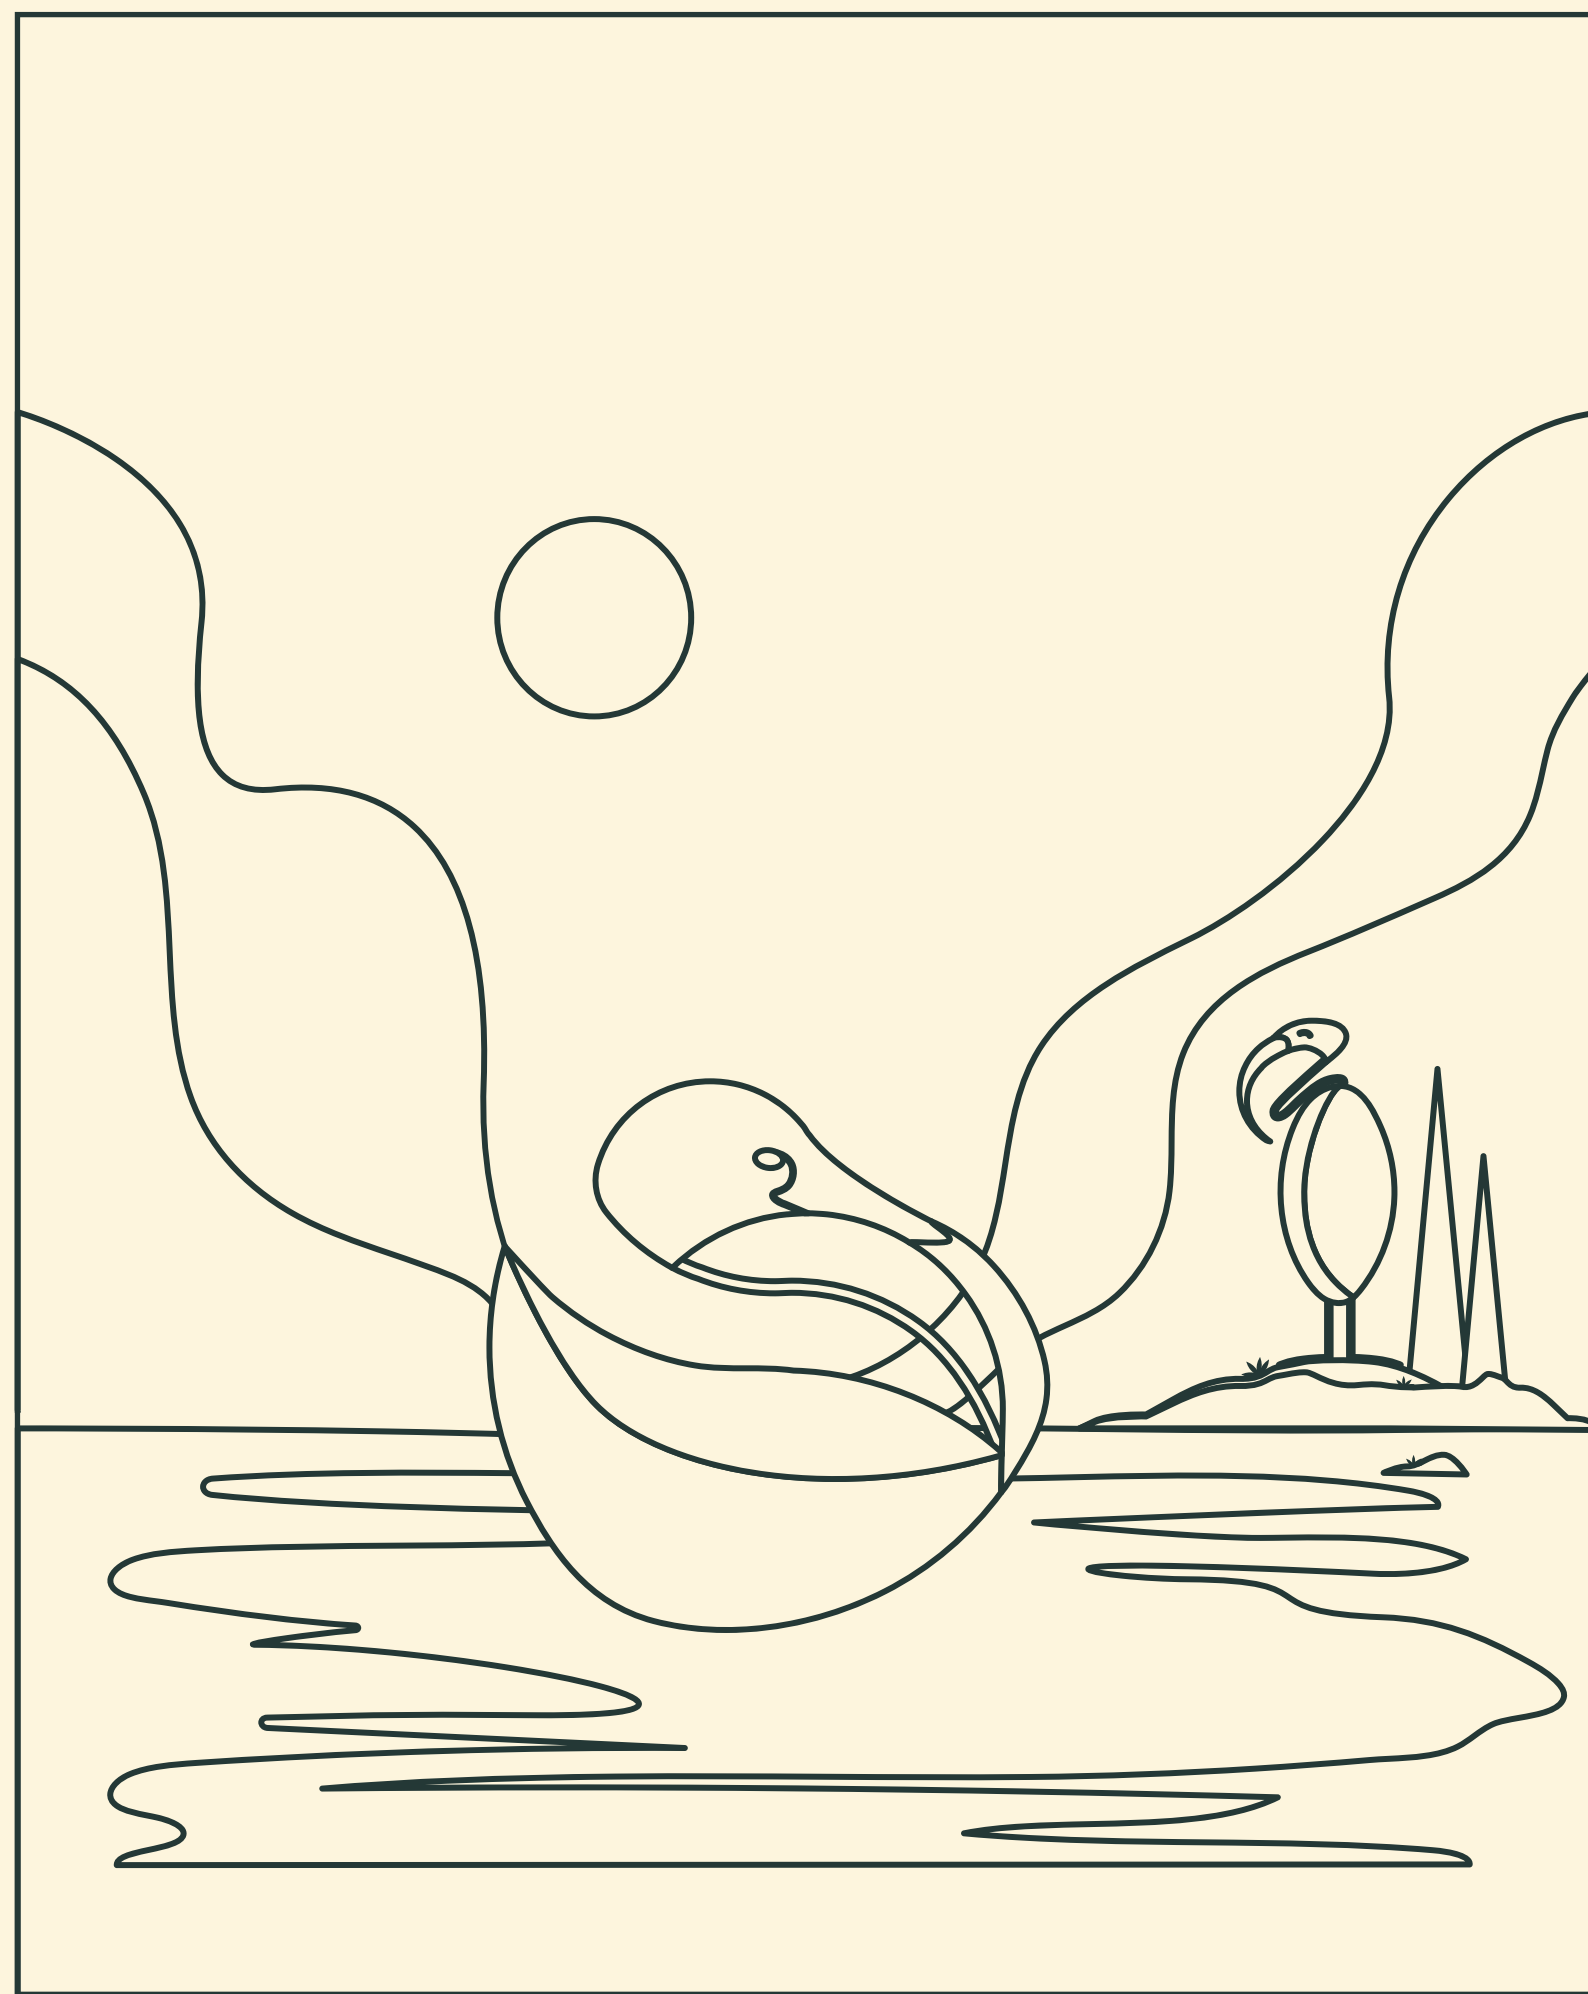

Nature can be viewed from an abstract, geometric perspective.
Each can be enjoyed individually or collected in one painting
in a balanced geometric arrangement.

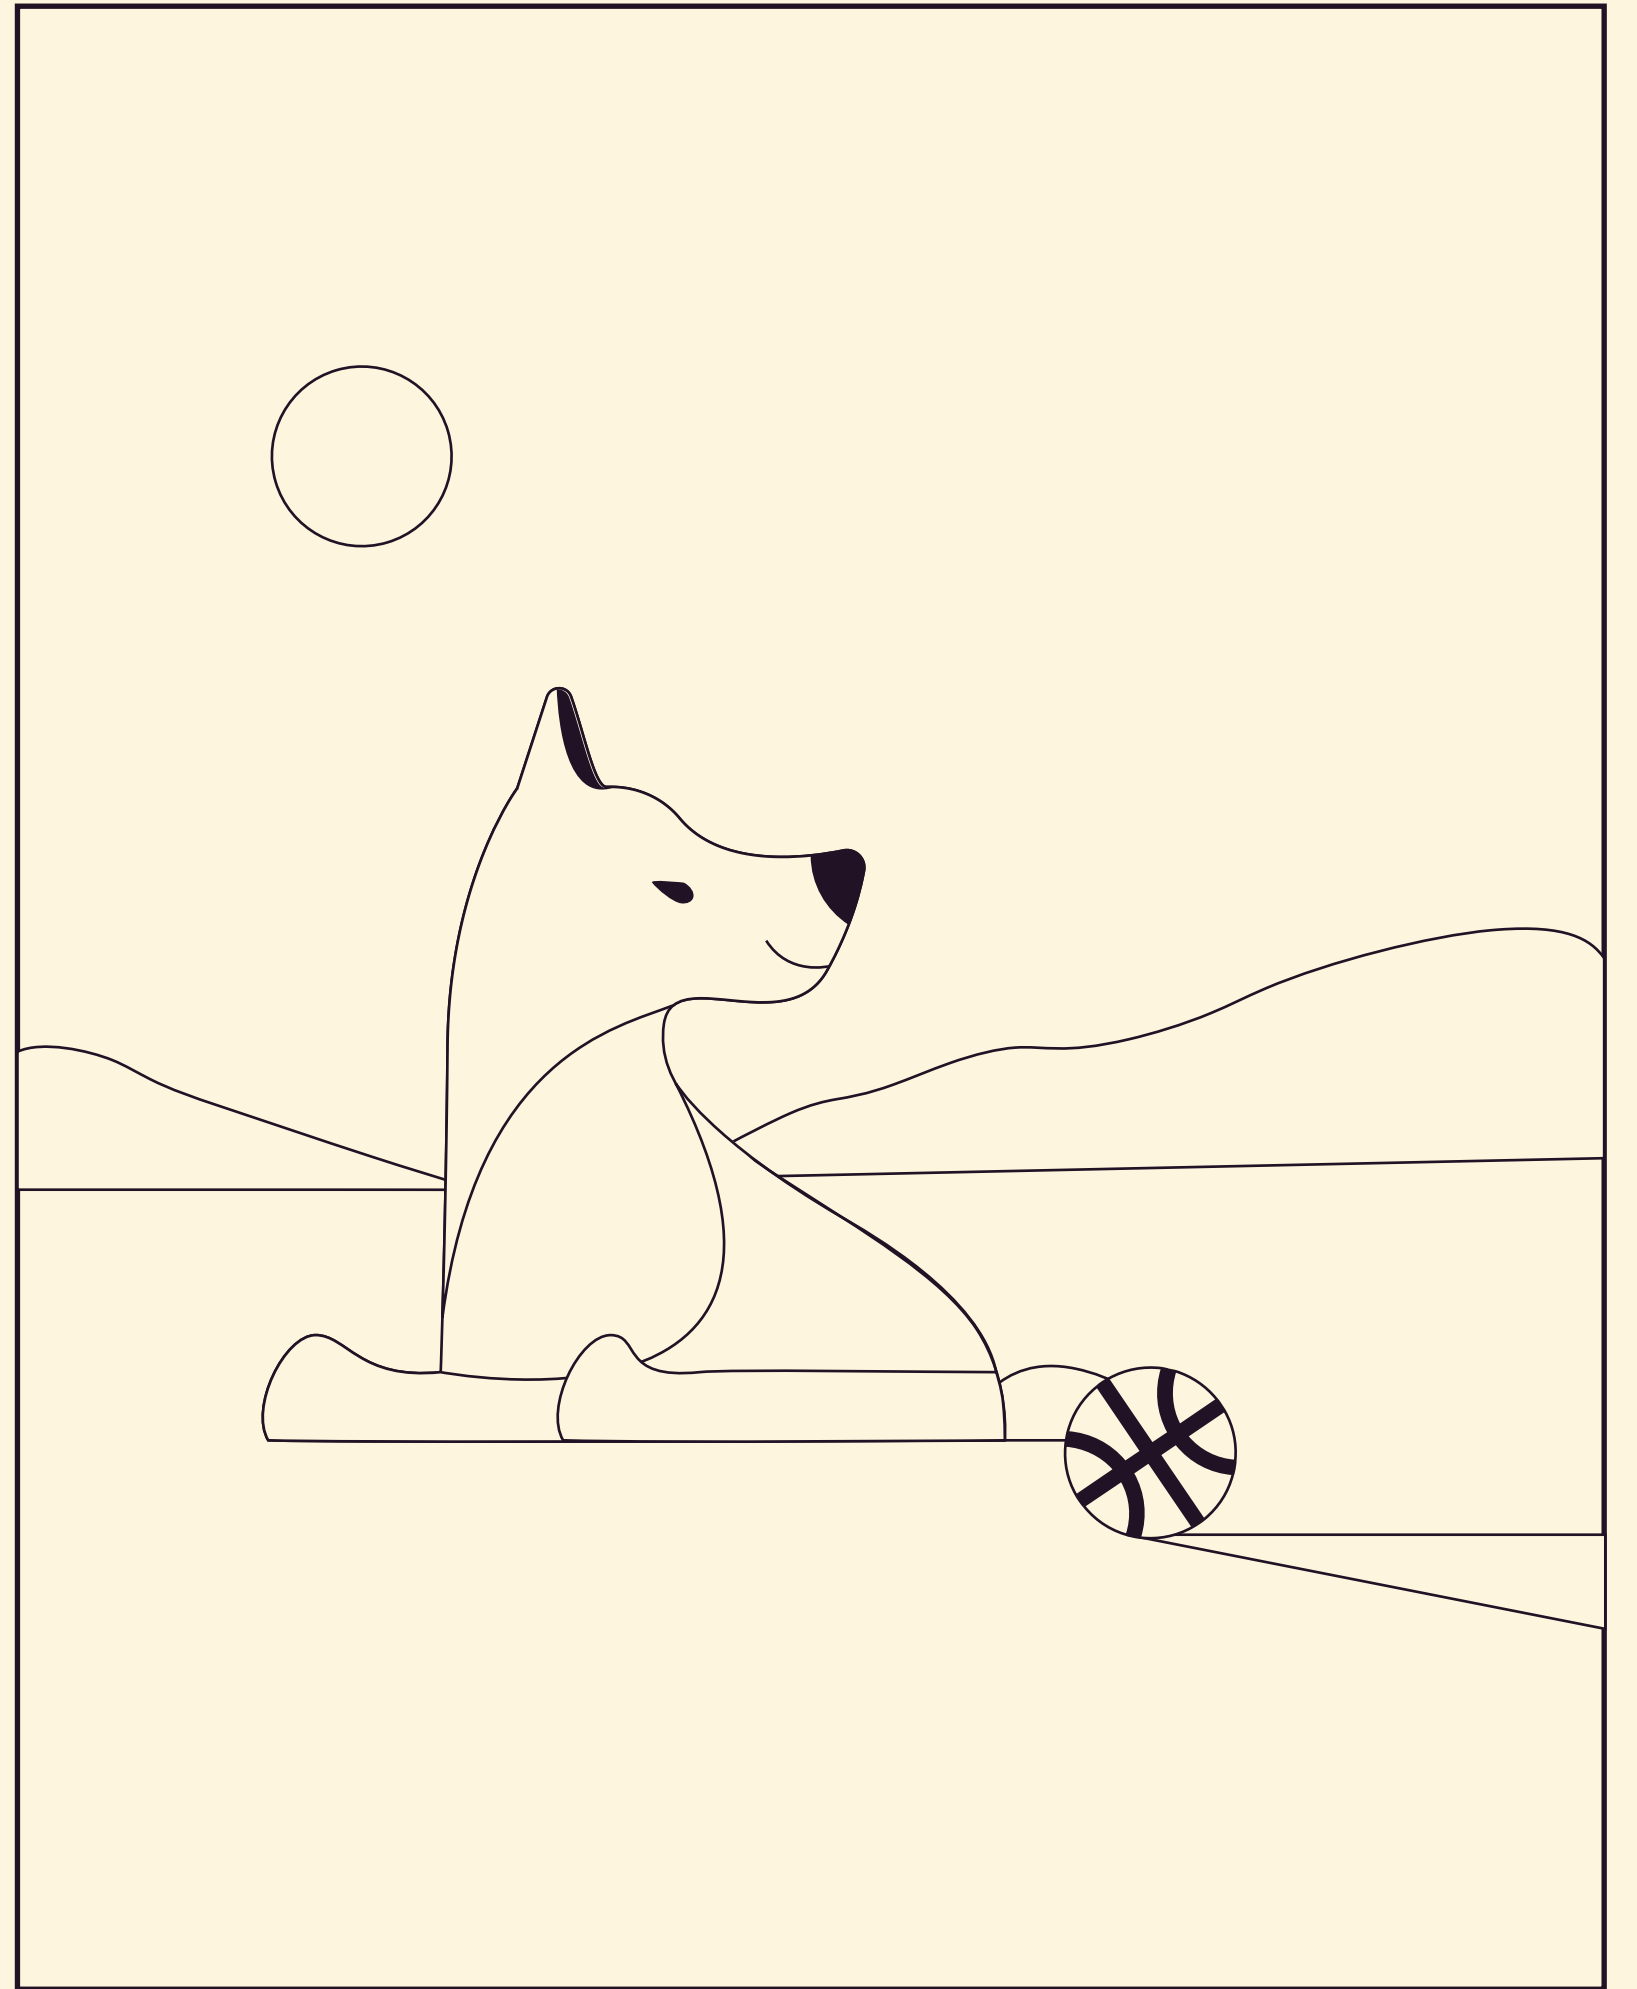

Ostrich in water

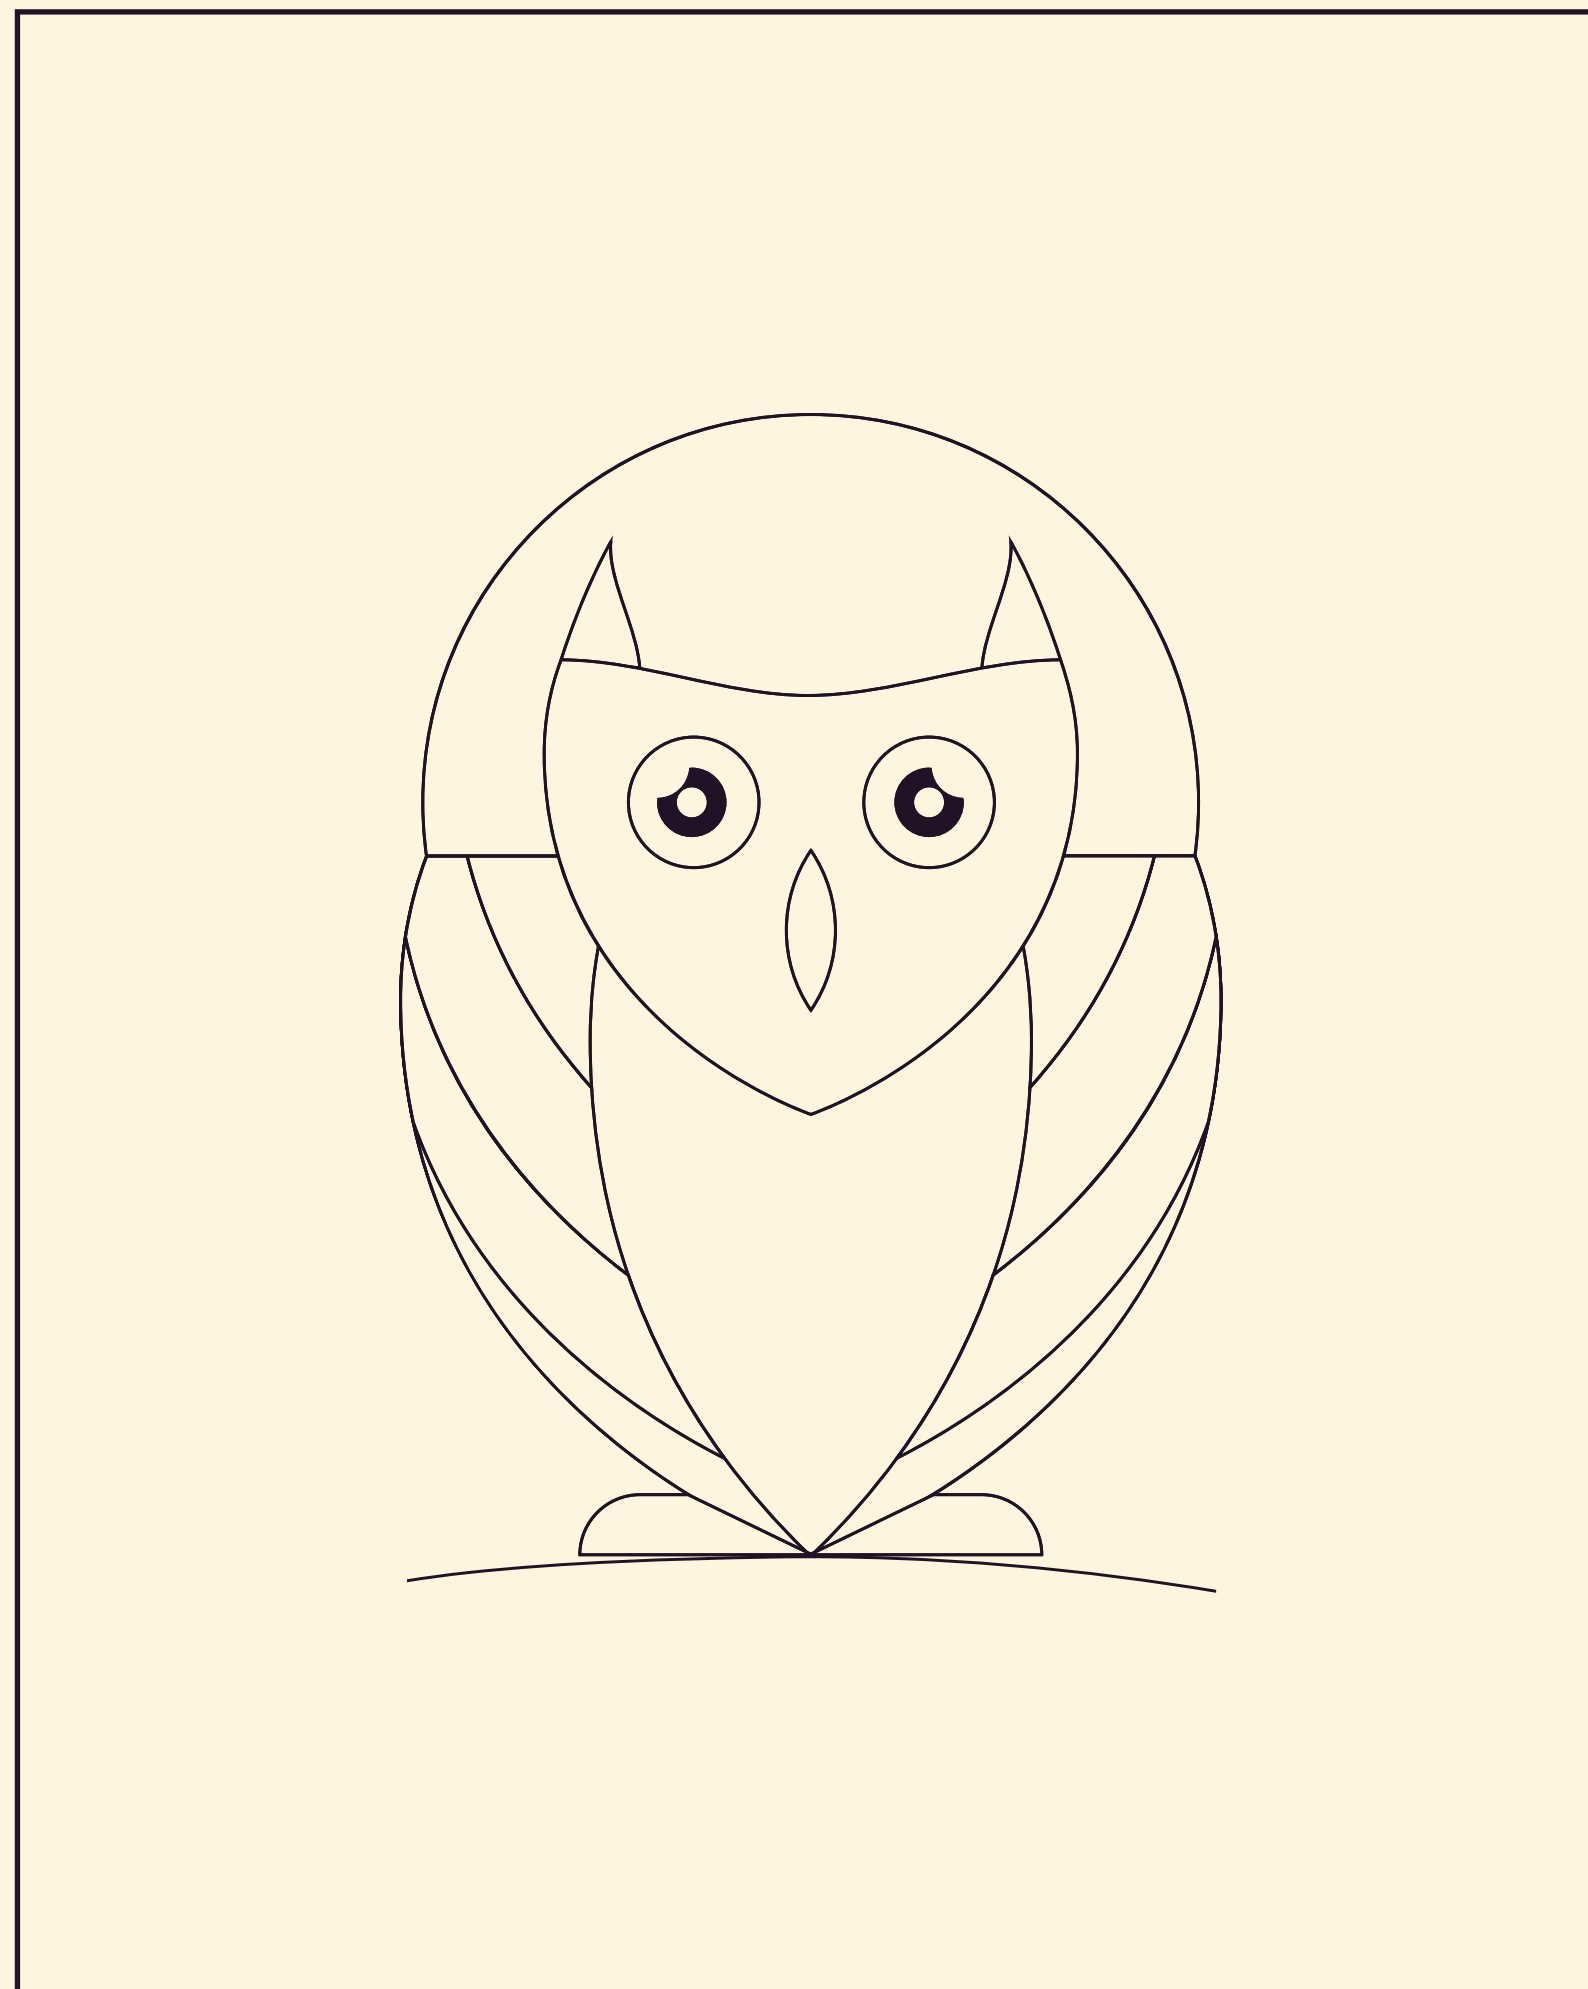

Flamingo enjoying at the lake

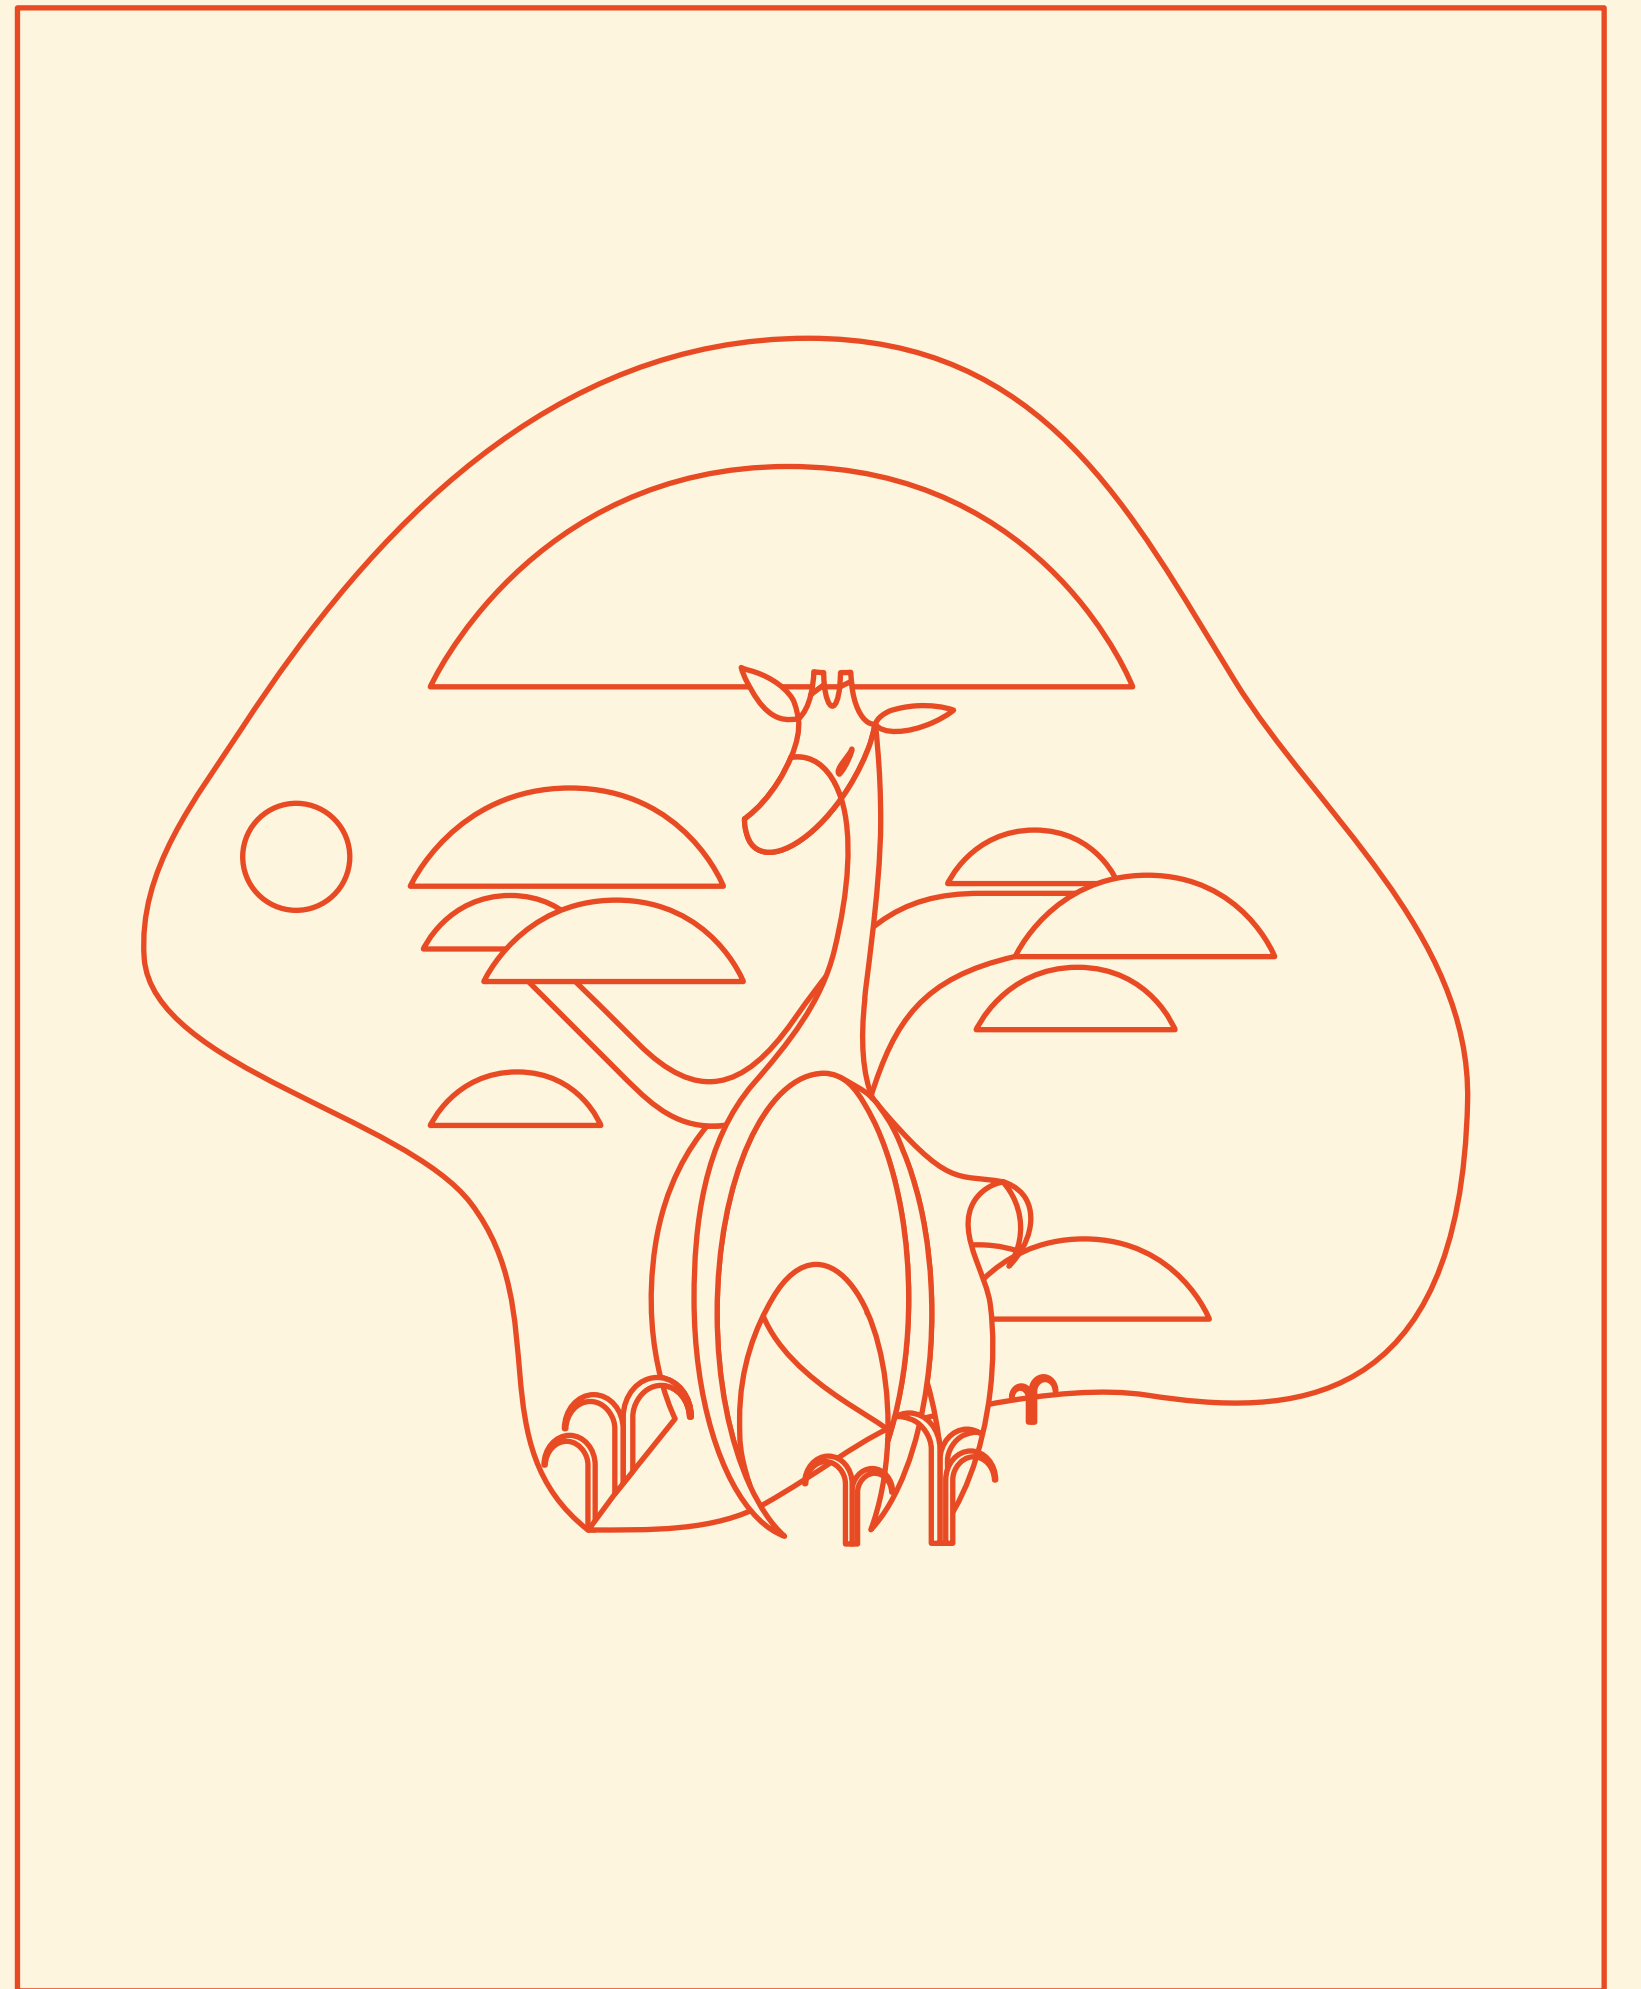

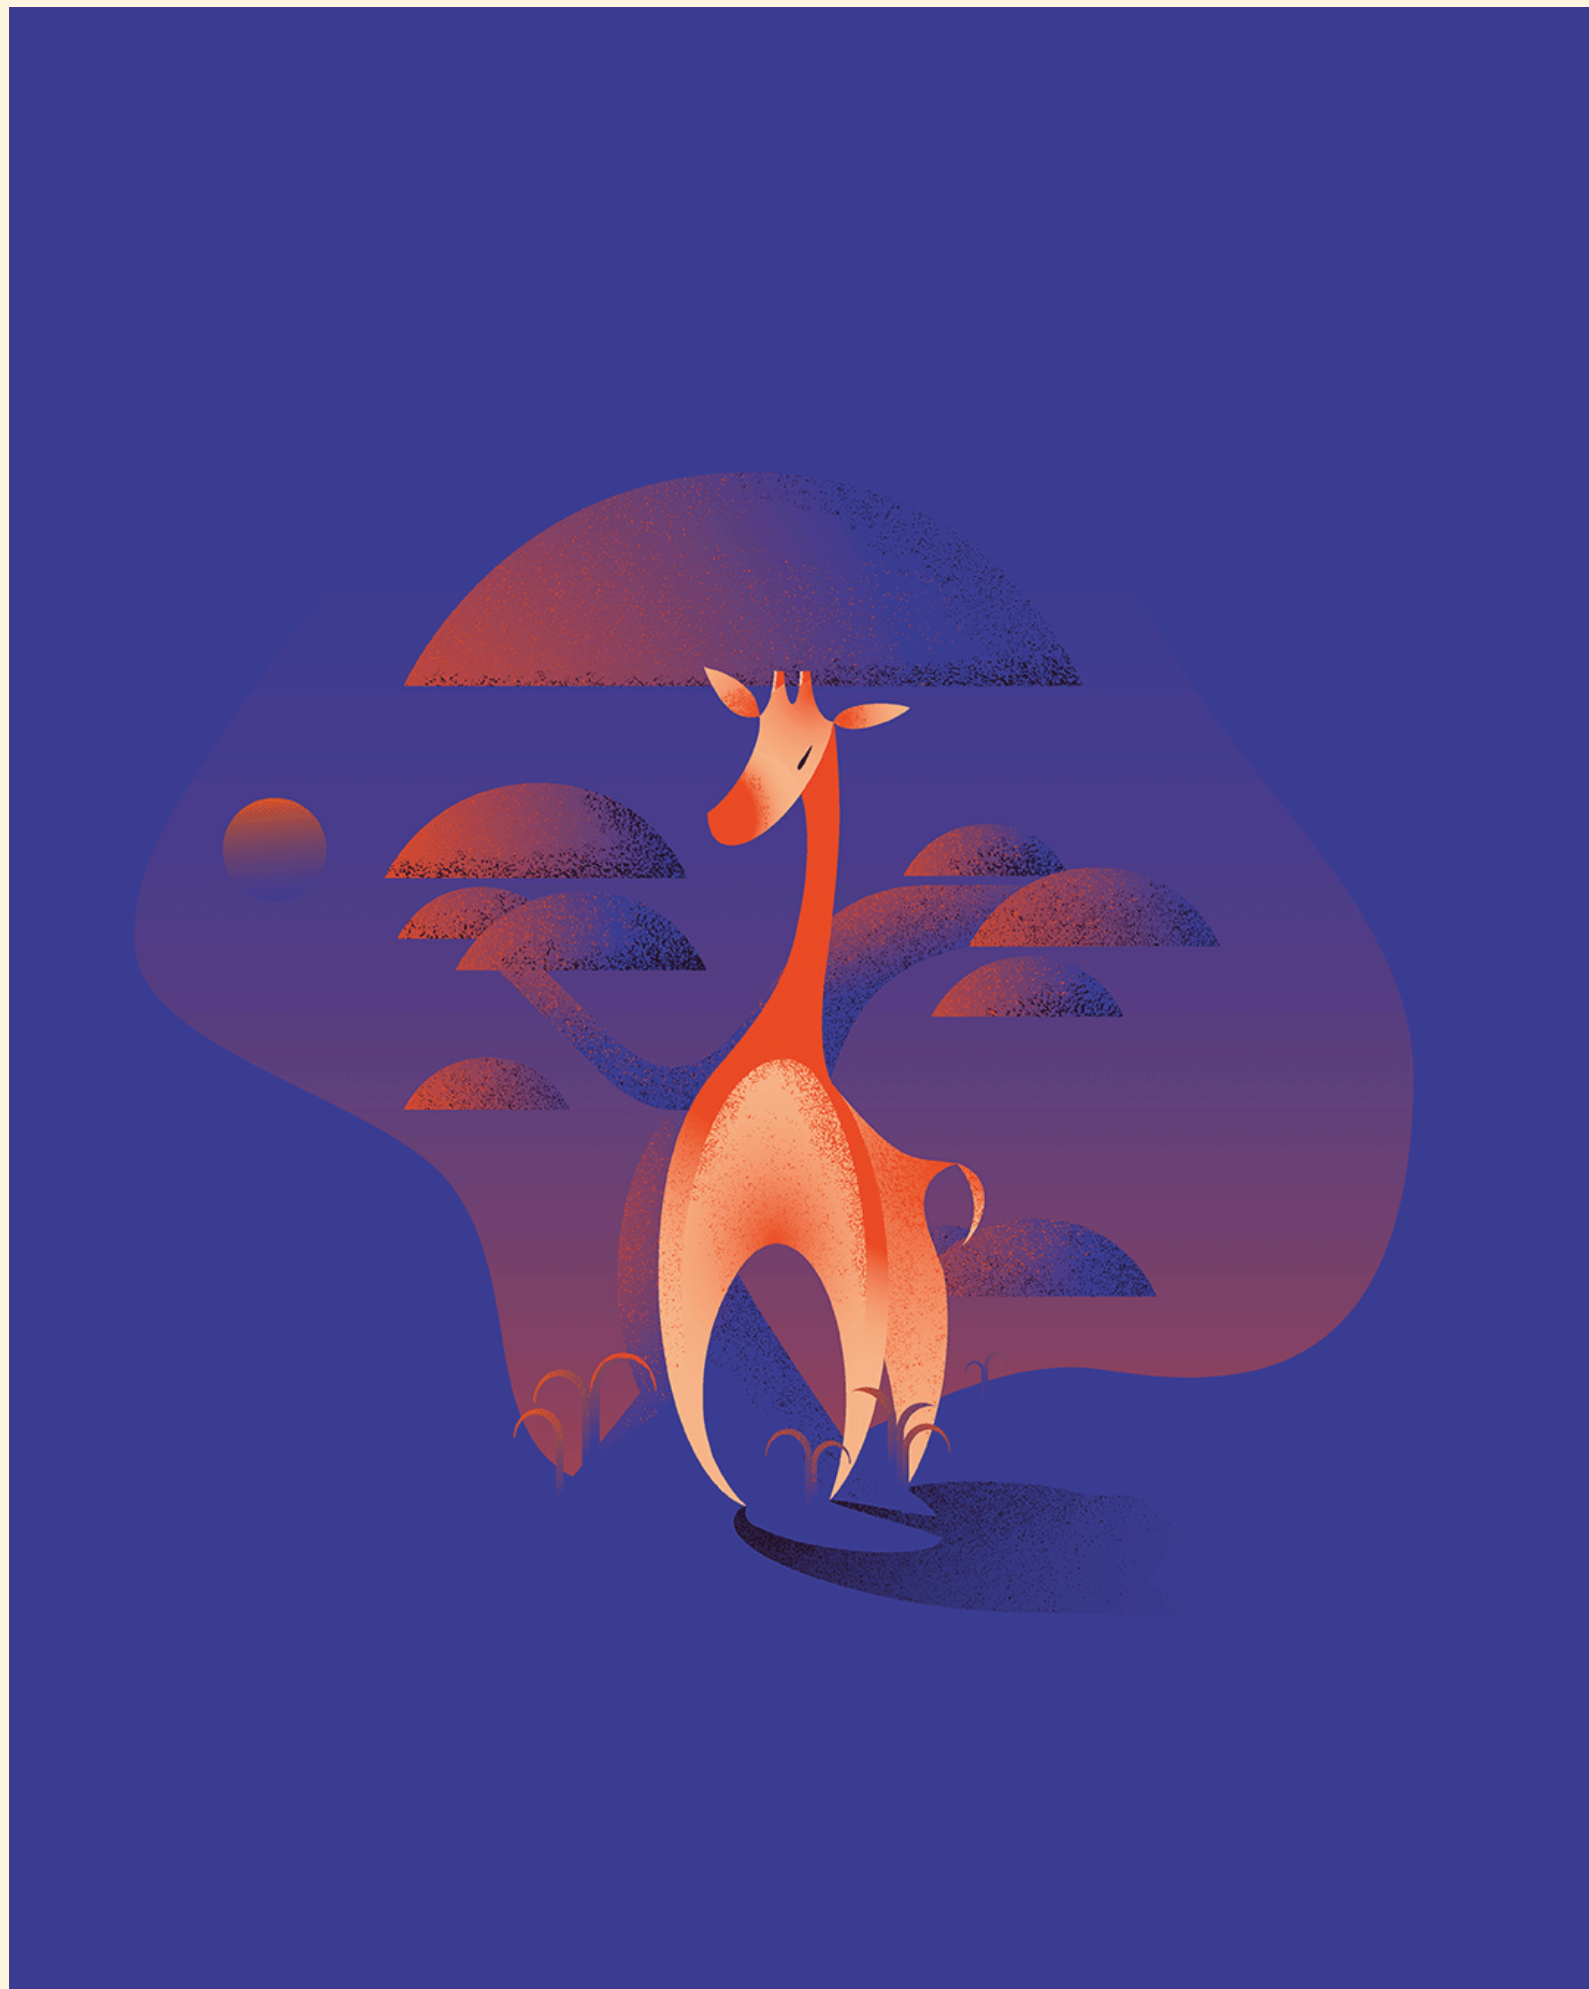

Bird protecting its nest

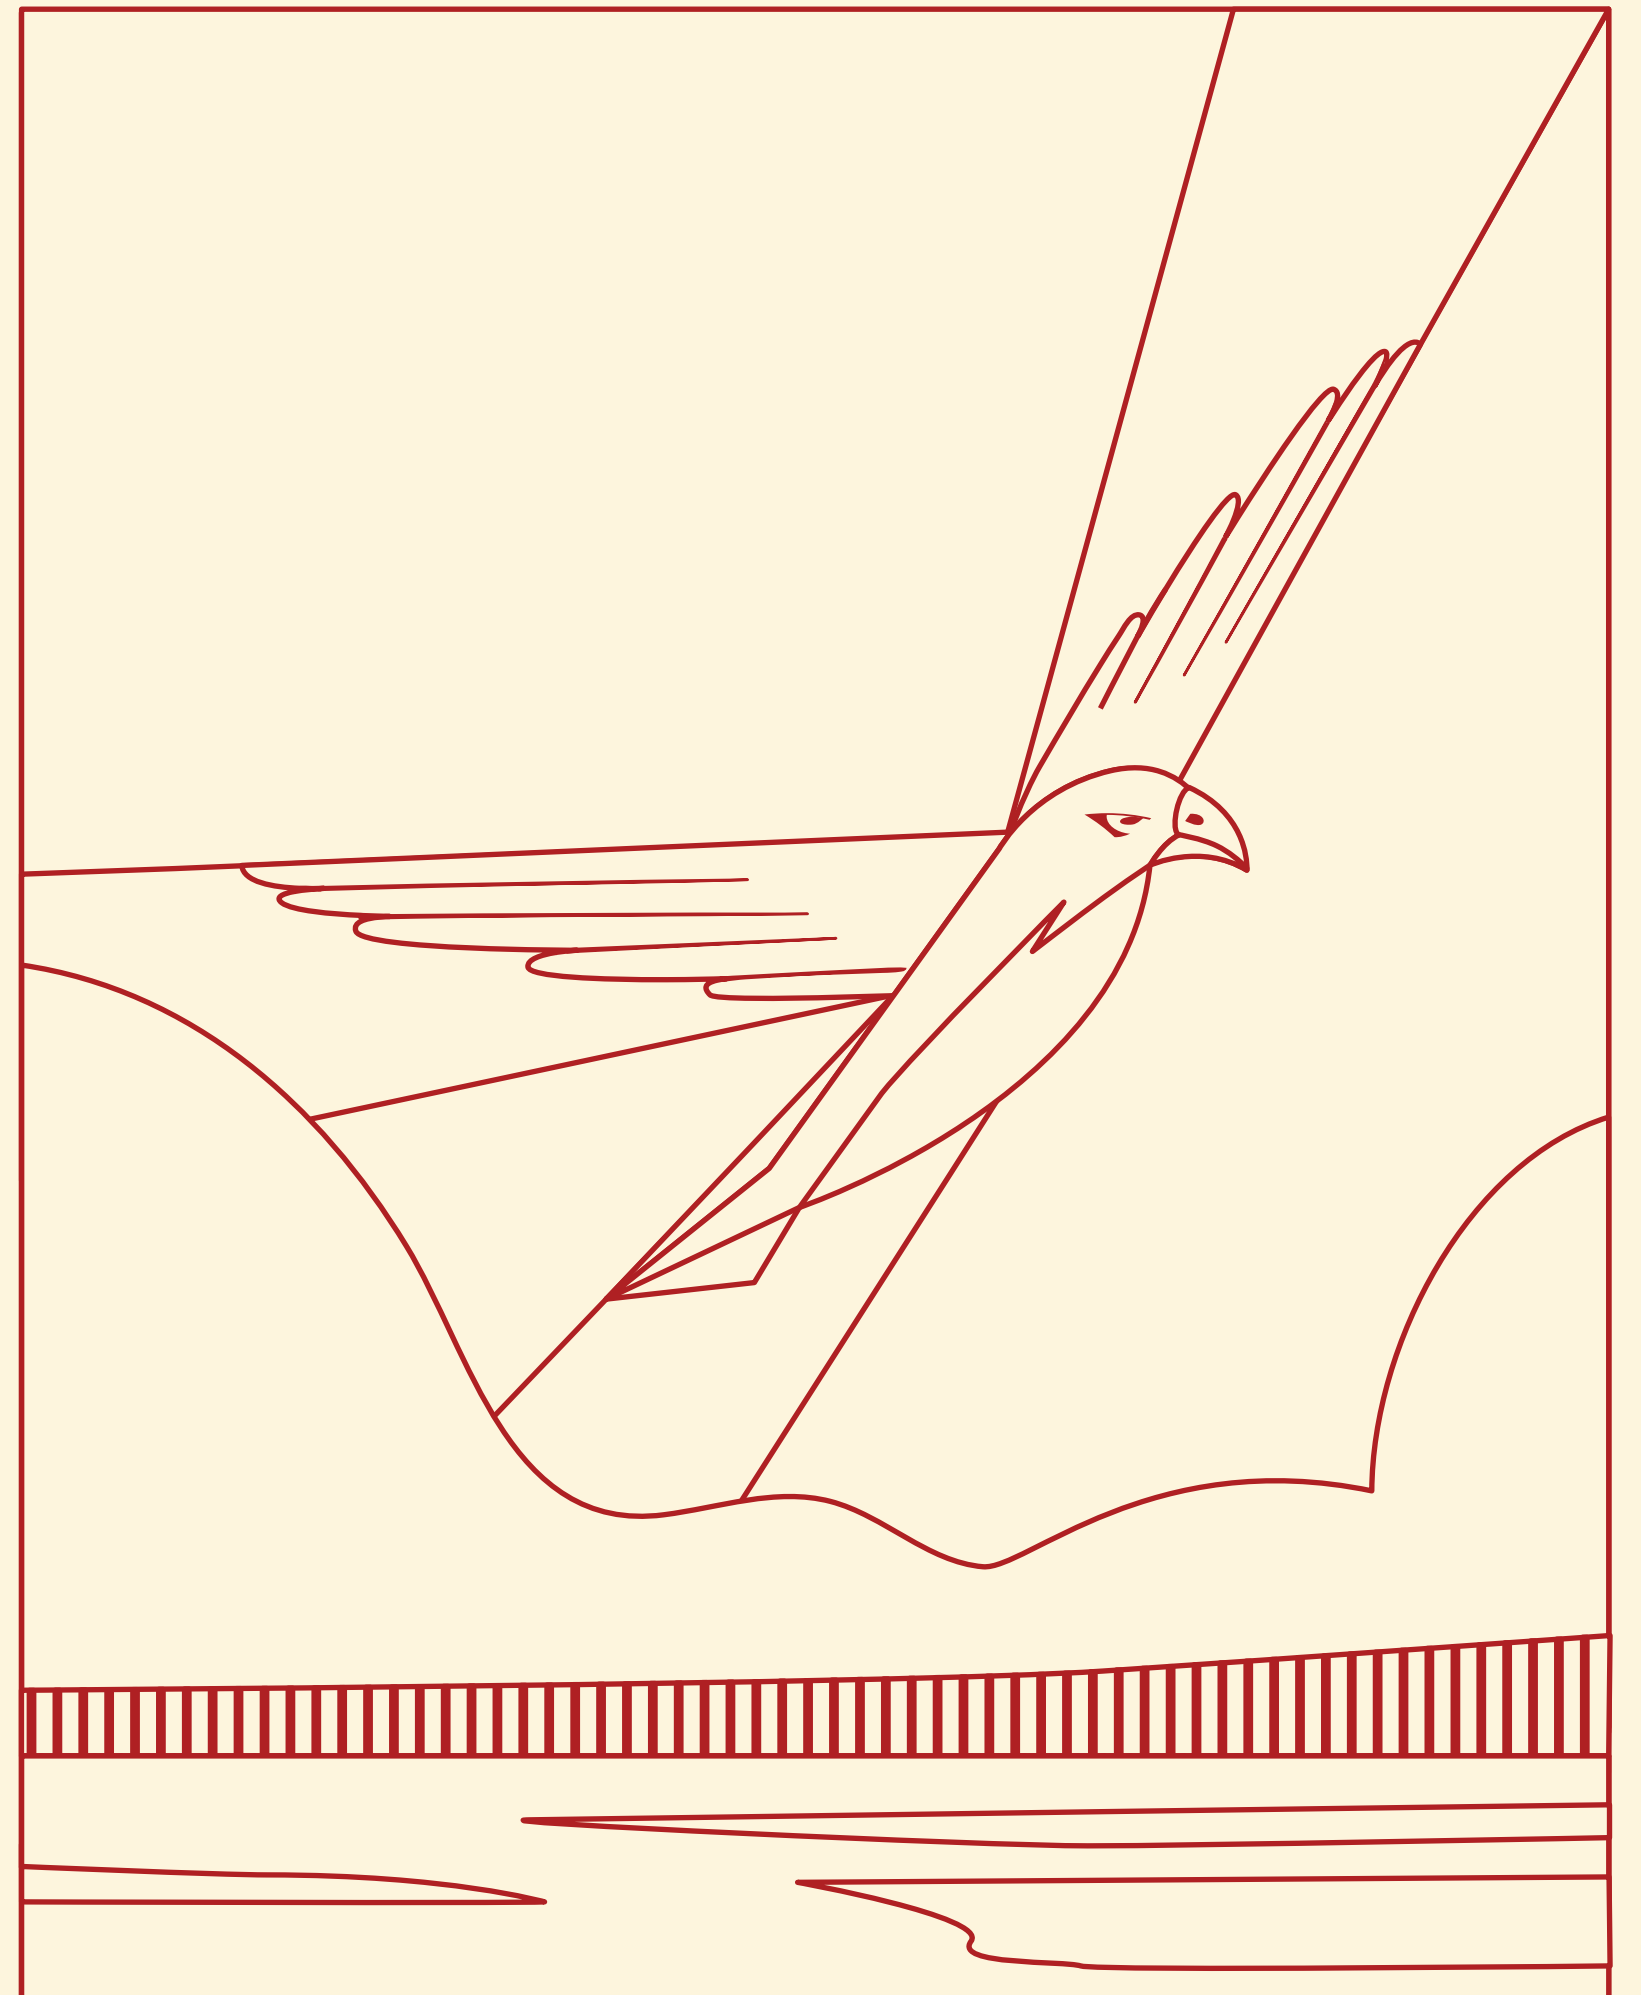

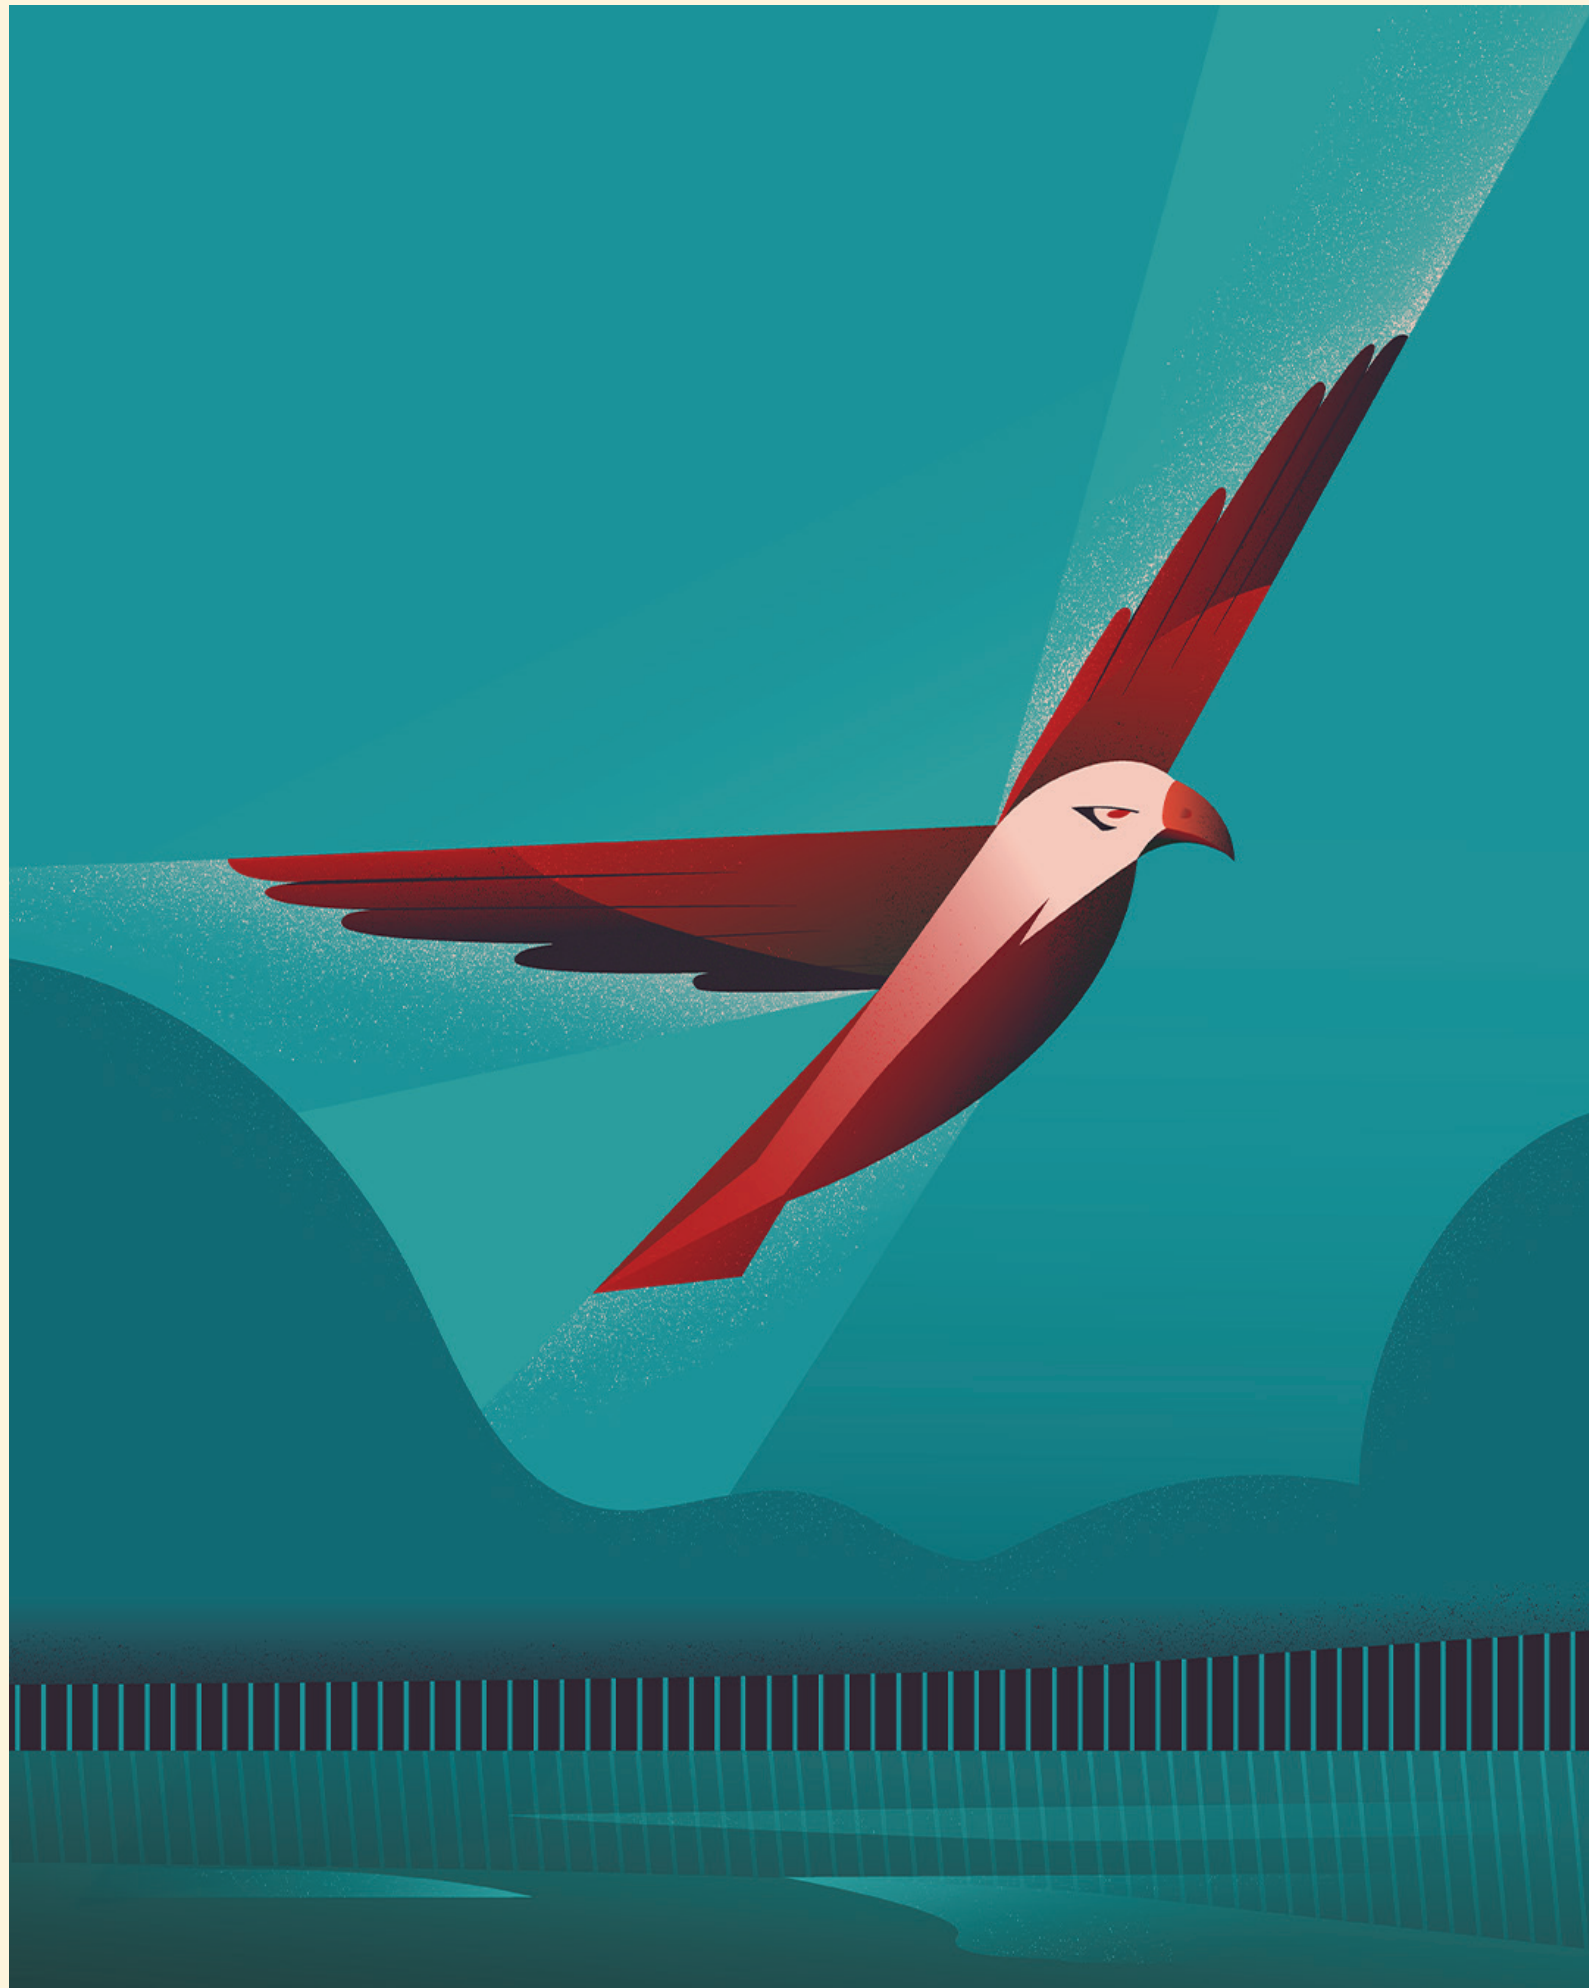

Dog has found a new friend

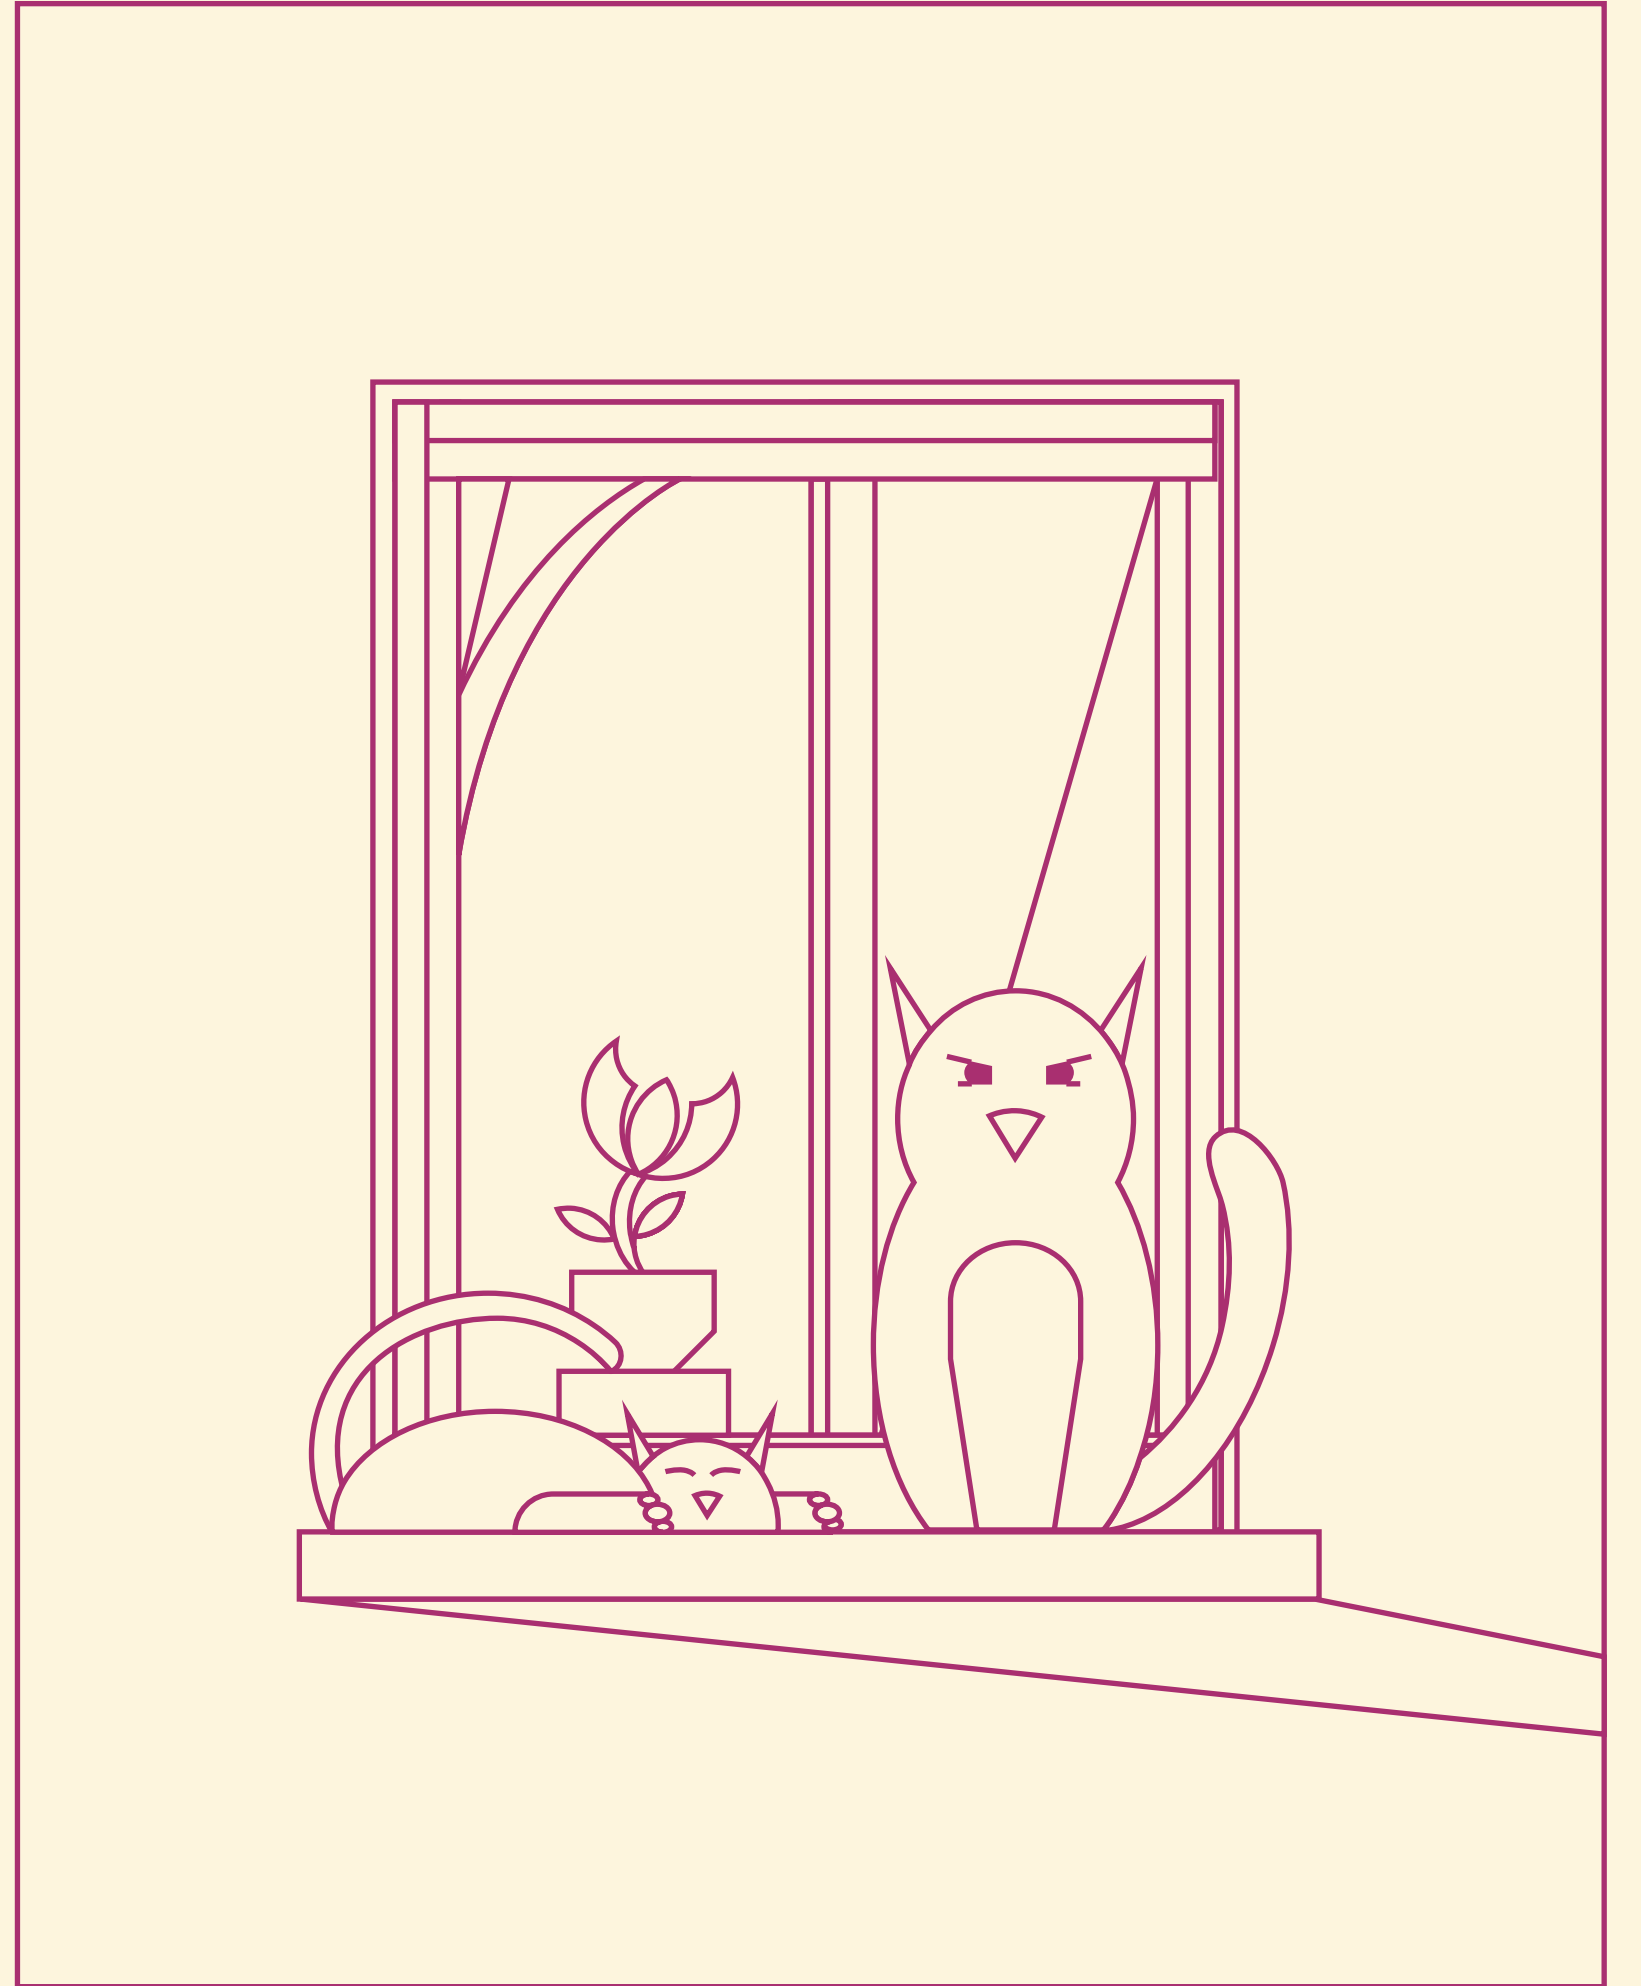

Owl under the moonlight

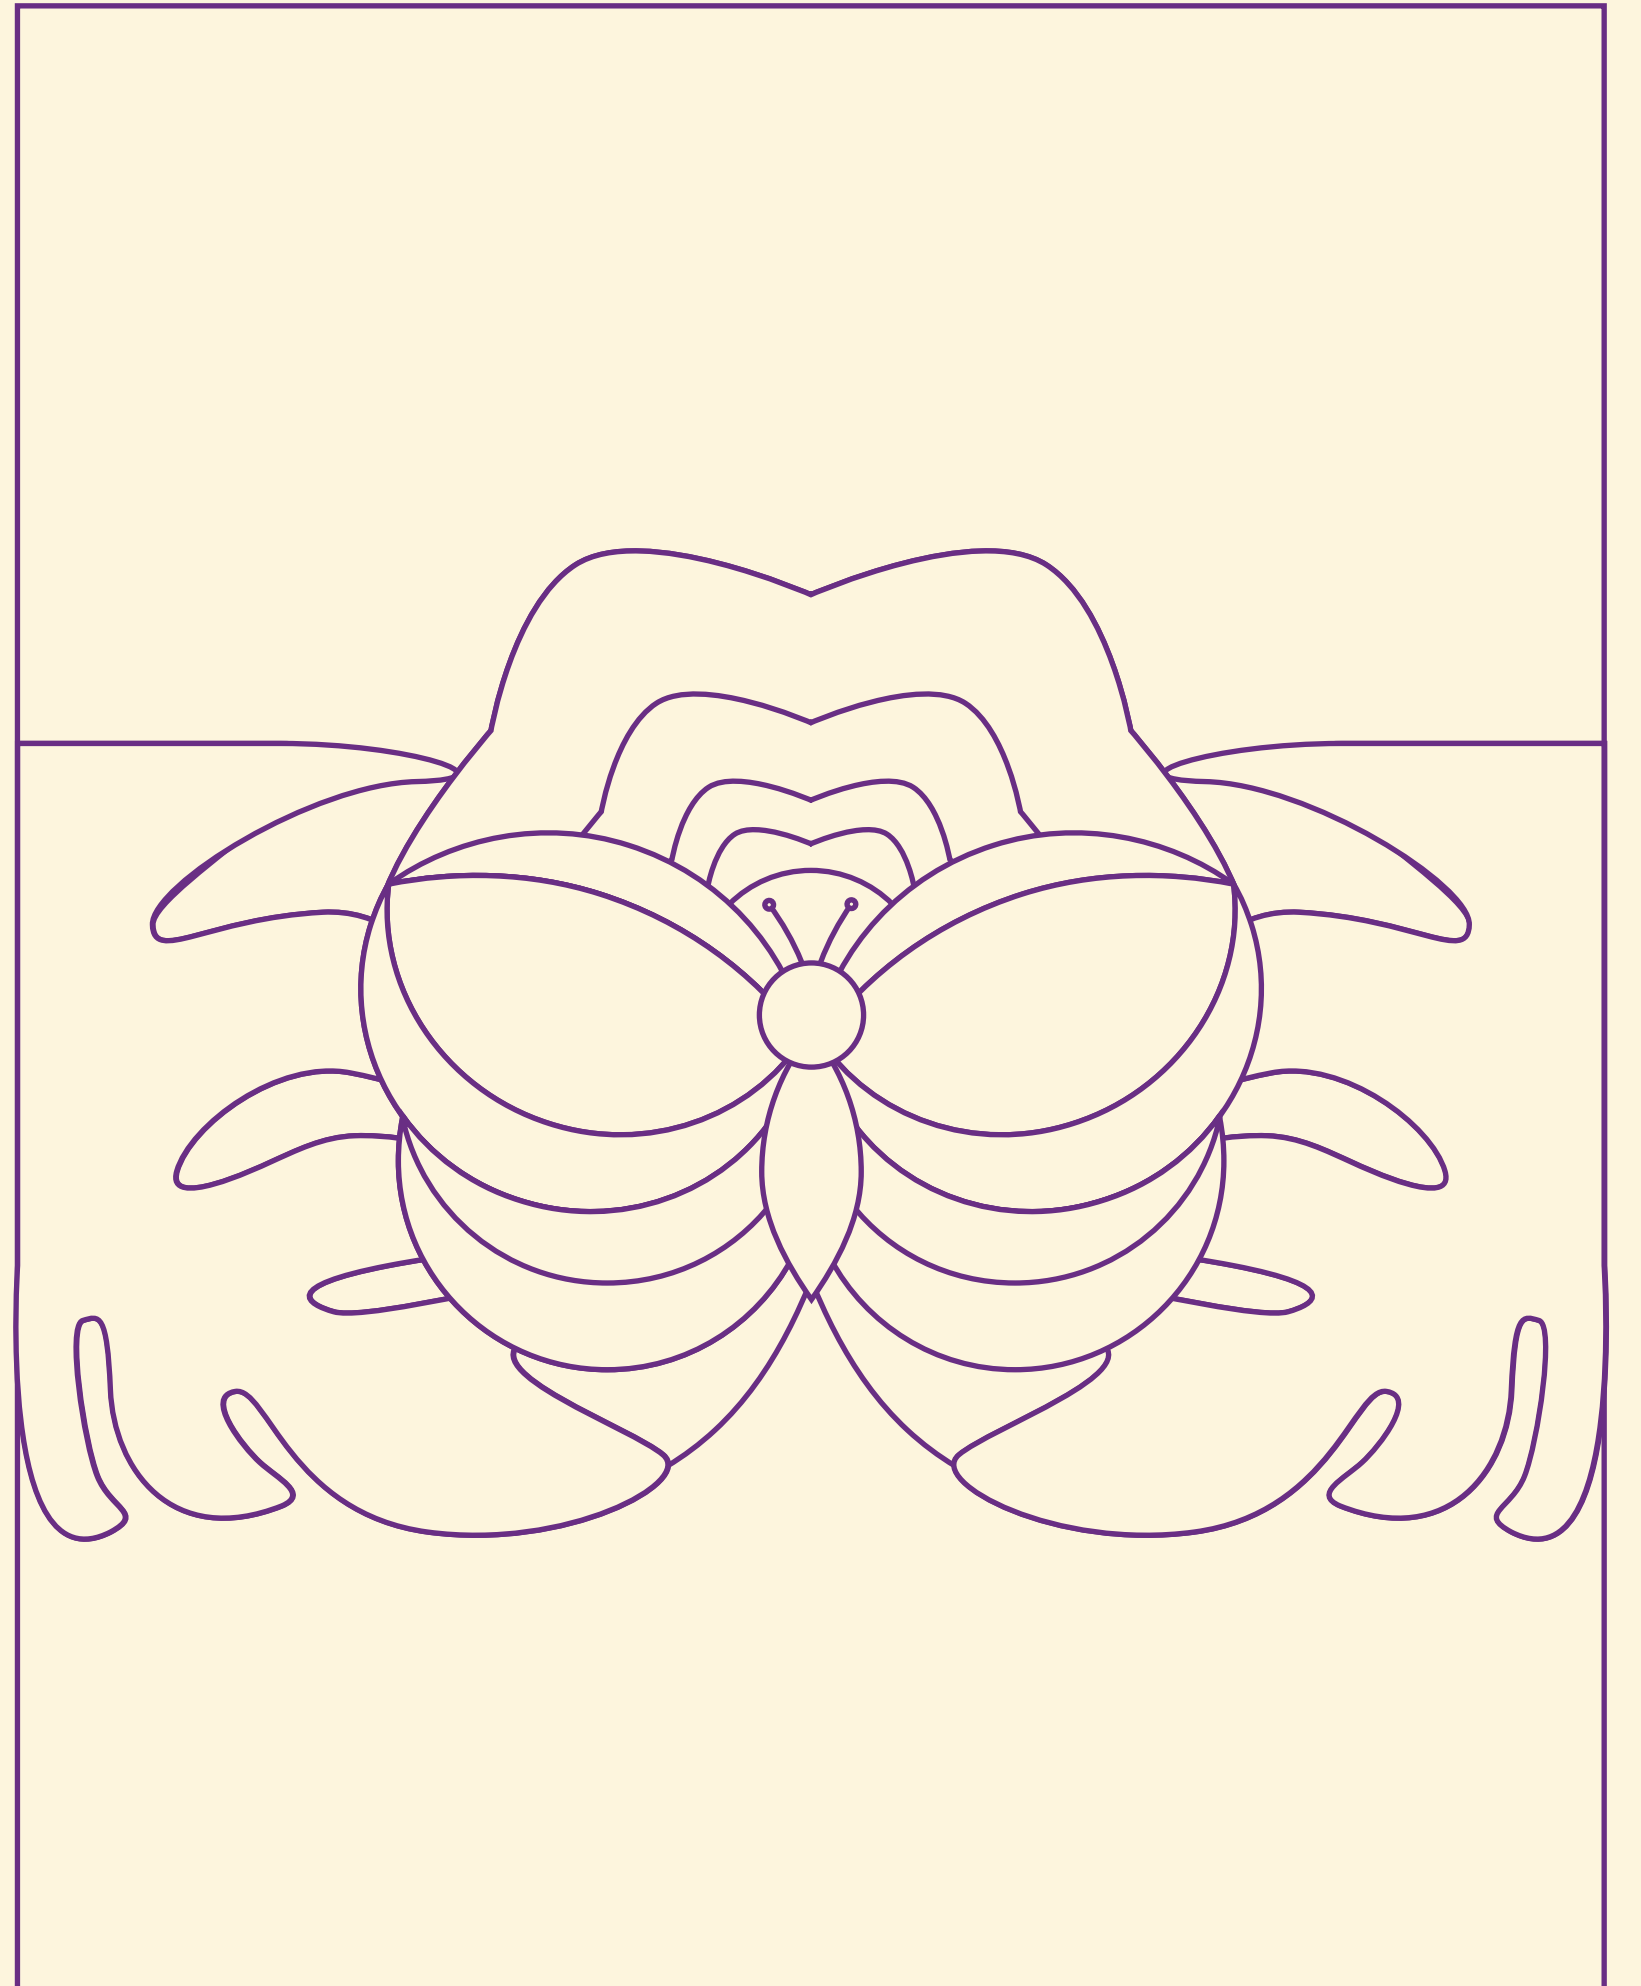

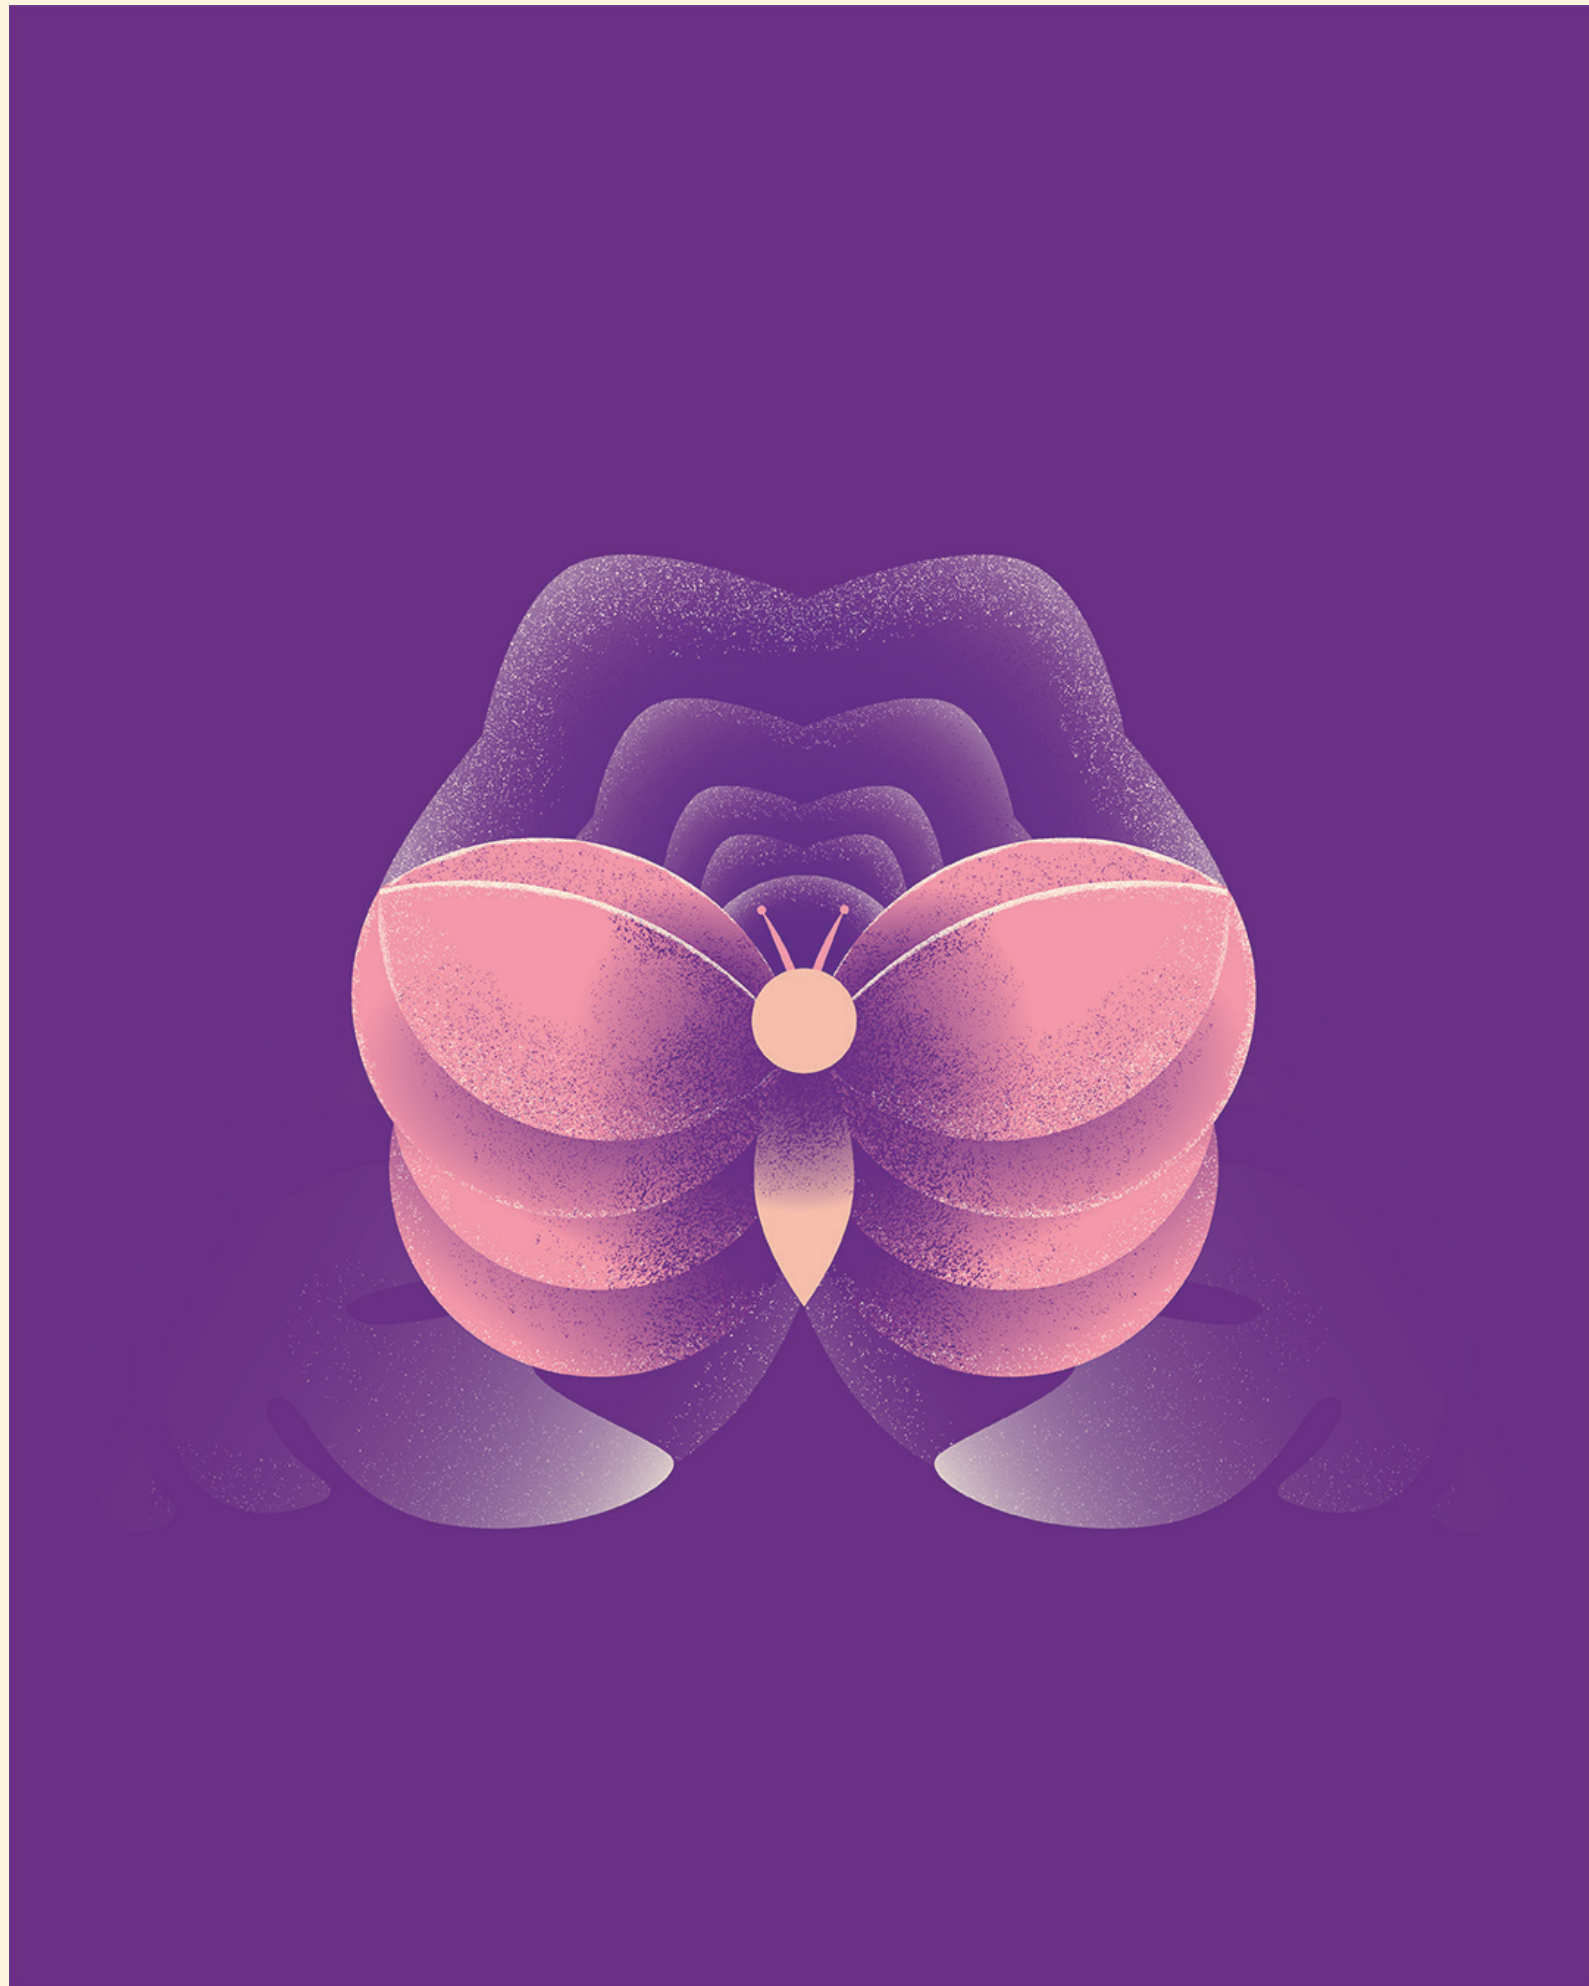

Giraffe at sunset

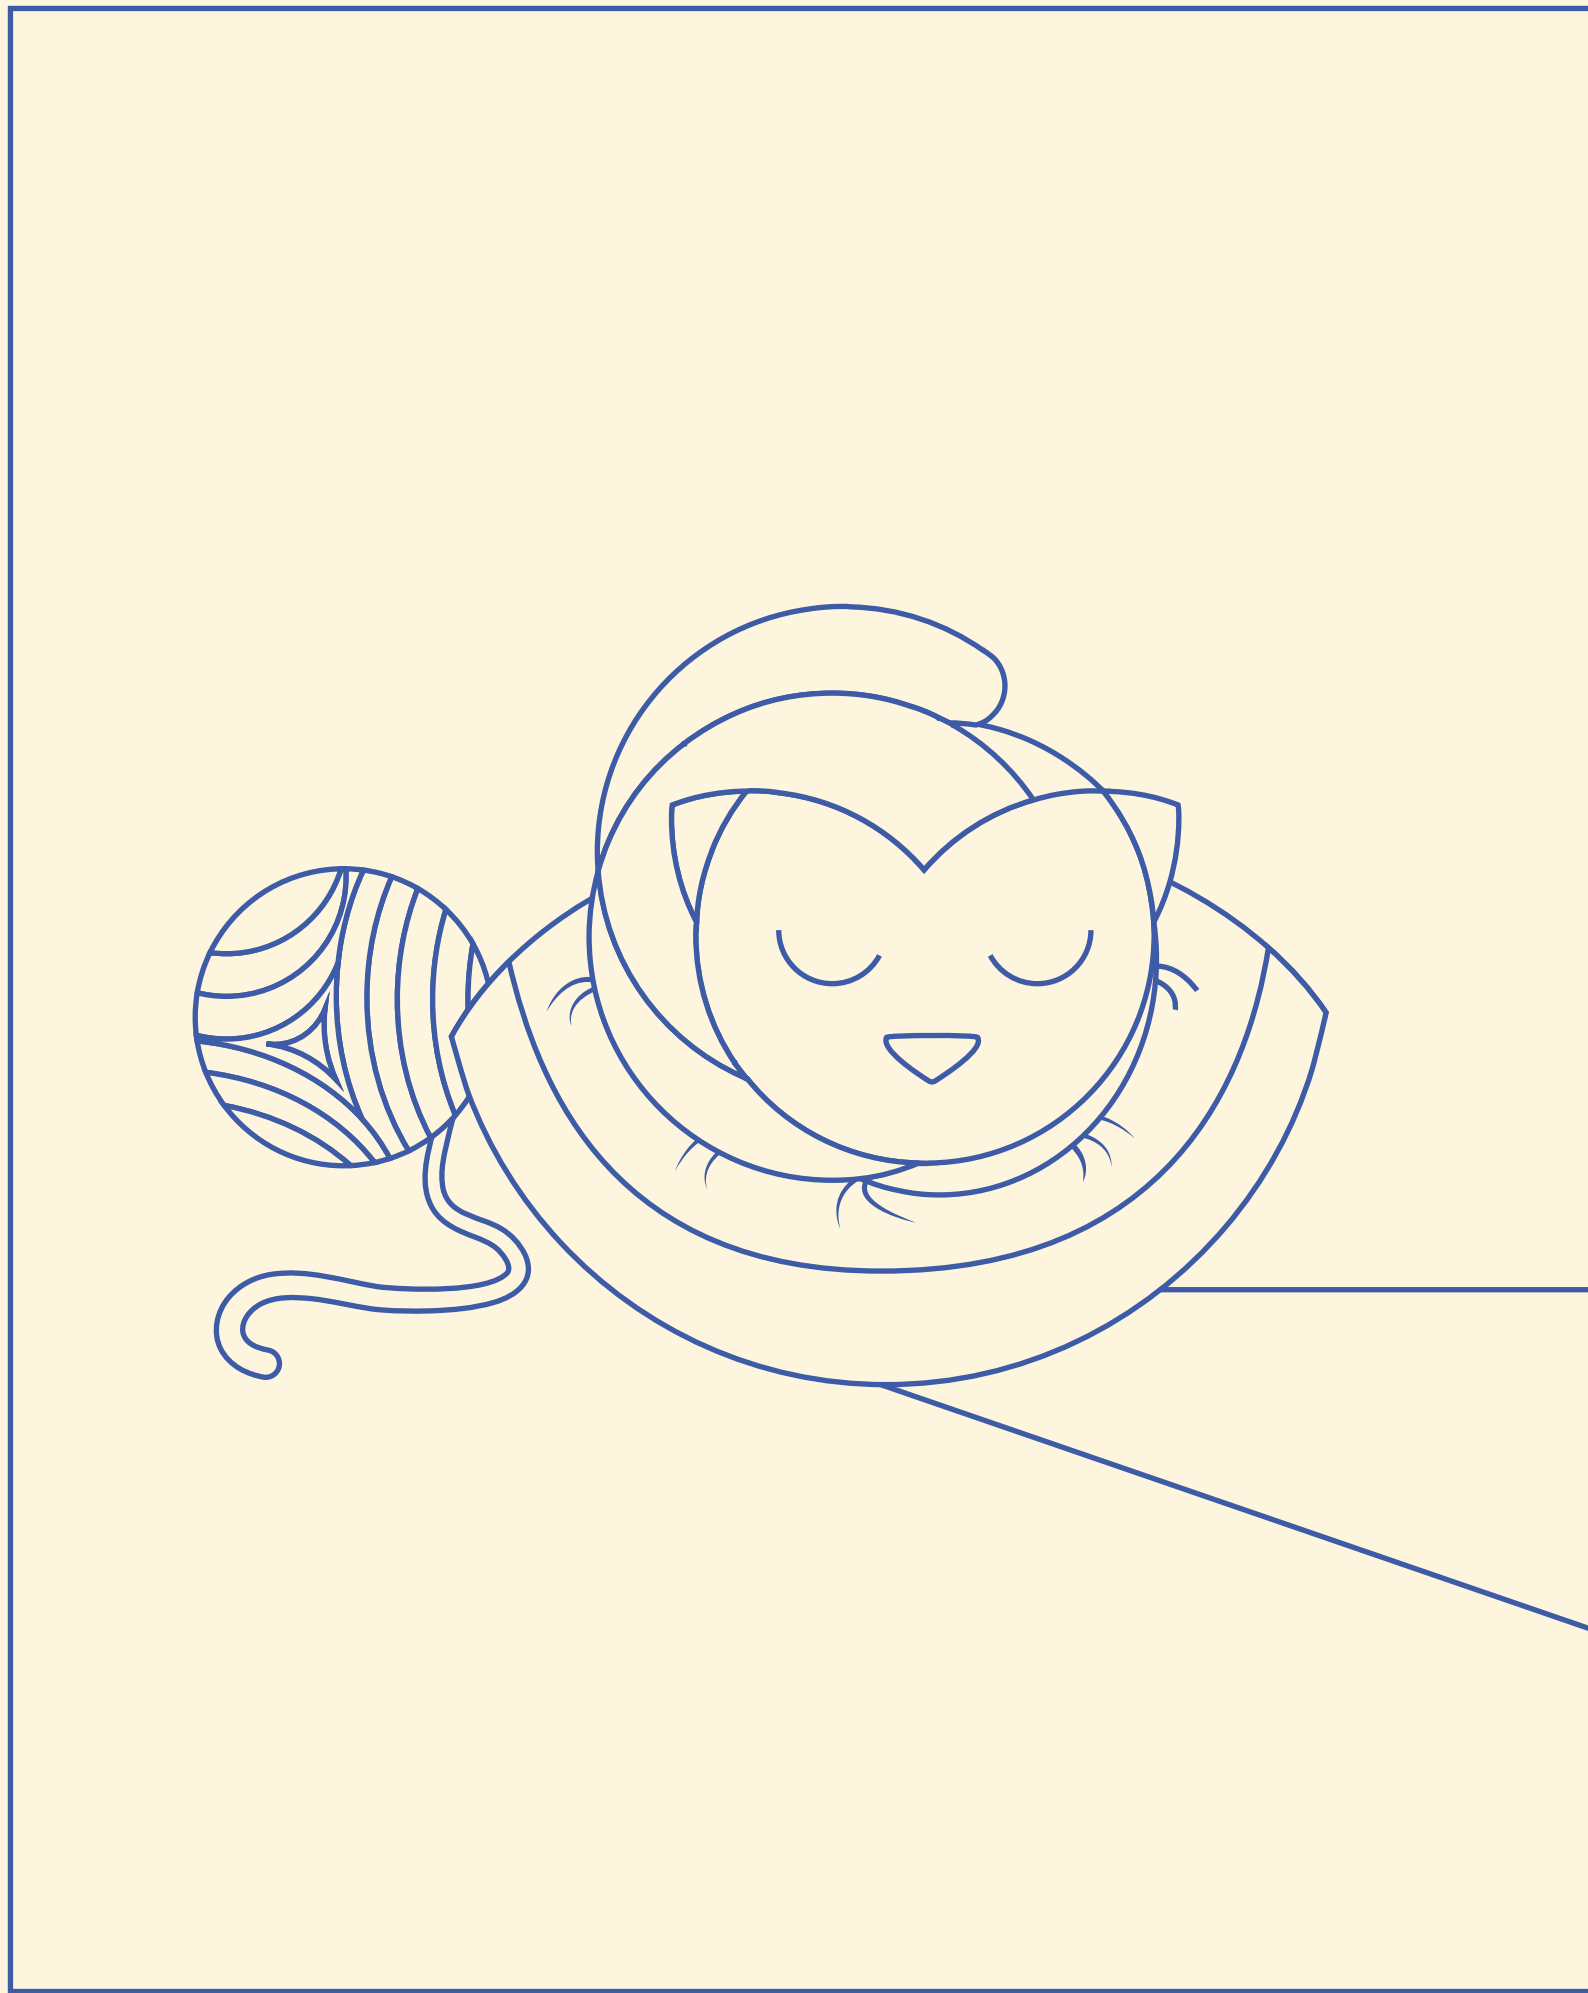

Hawk flying over the lake

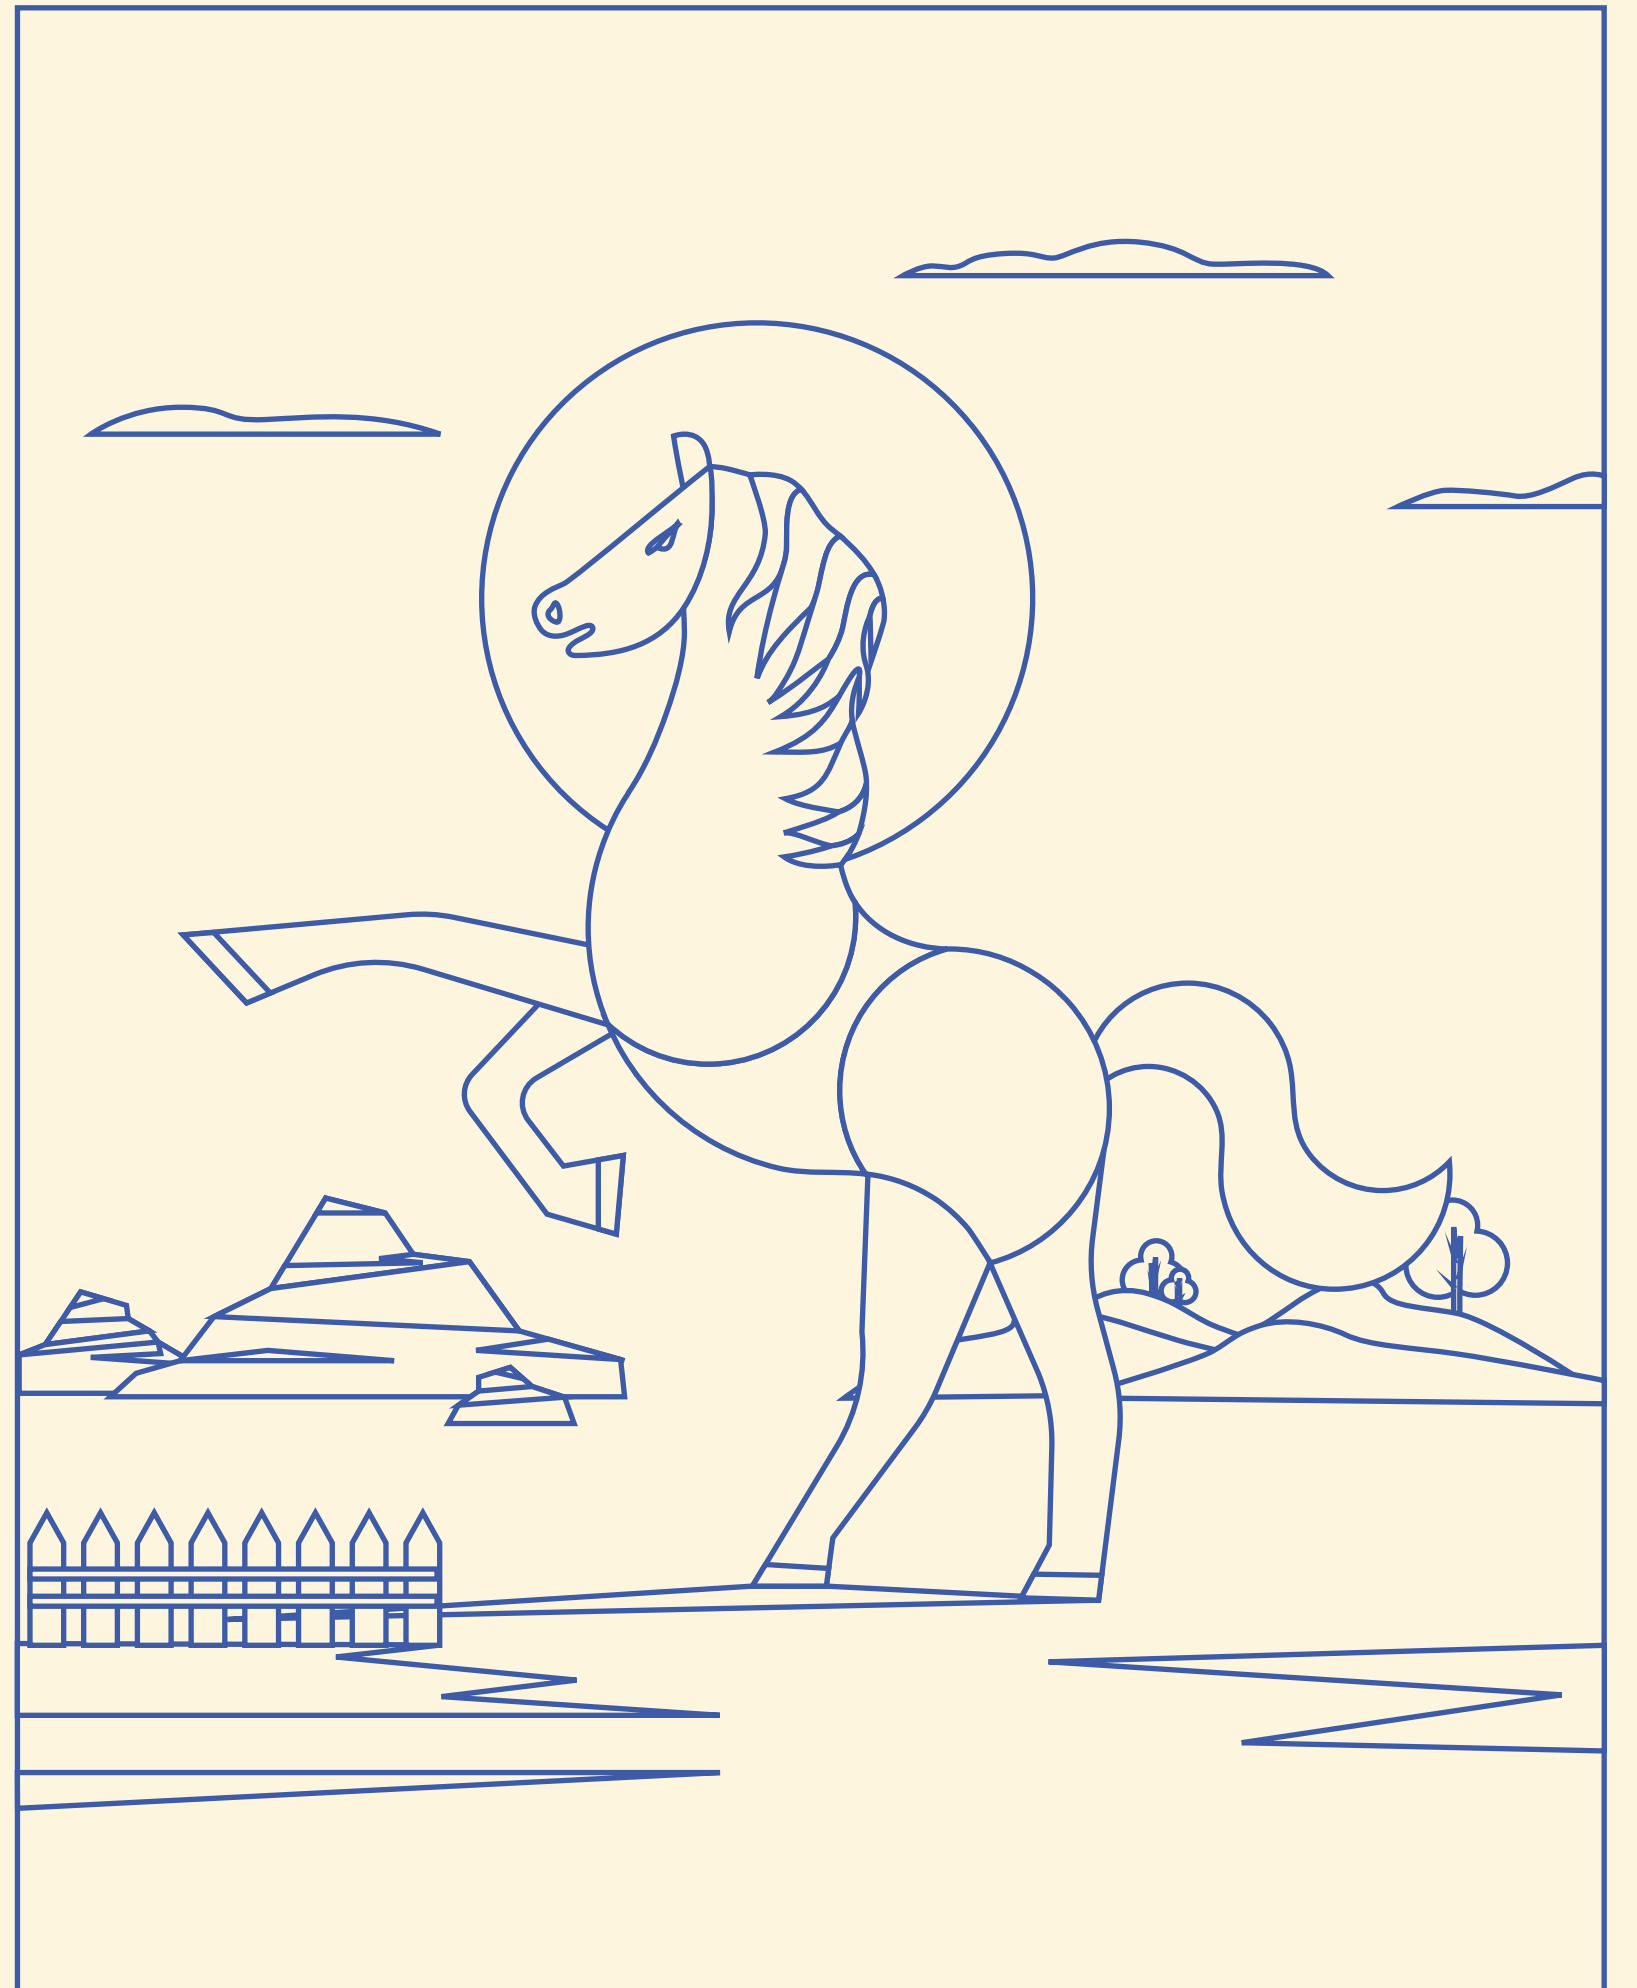

Cats on the house window

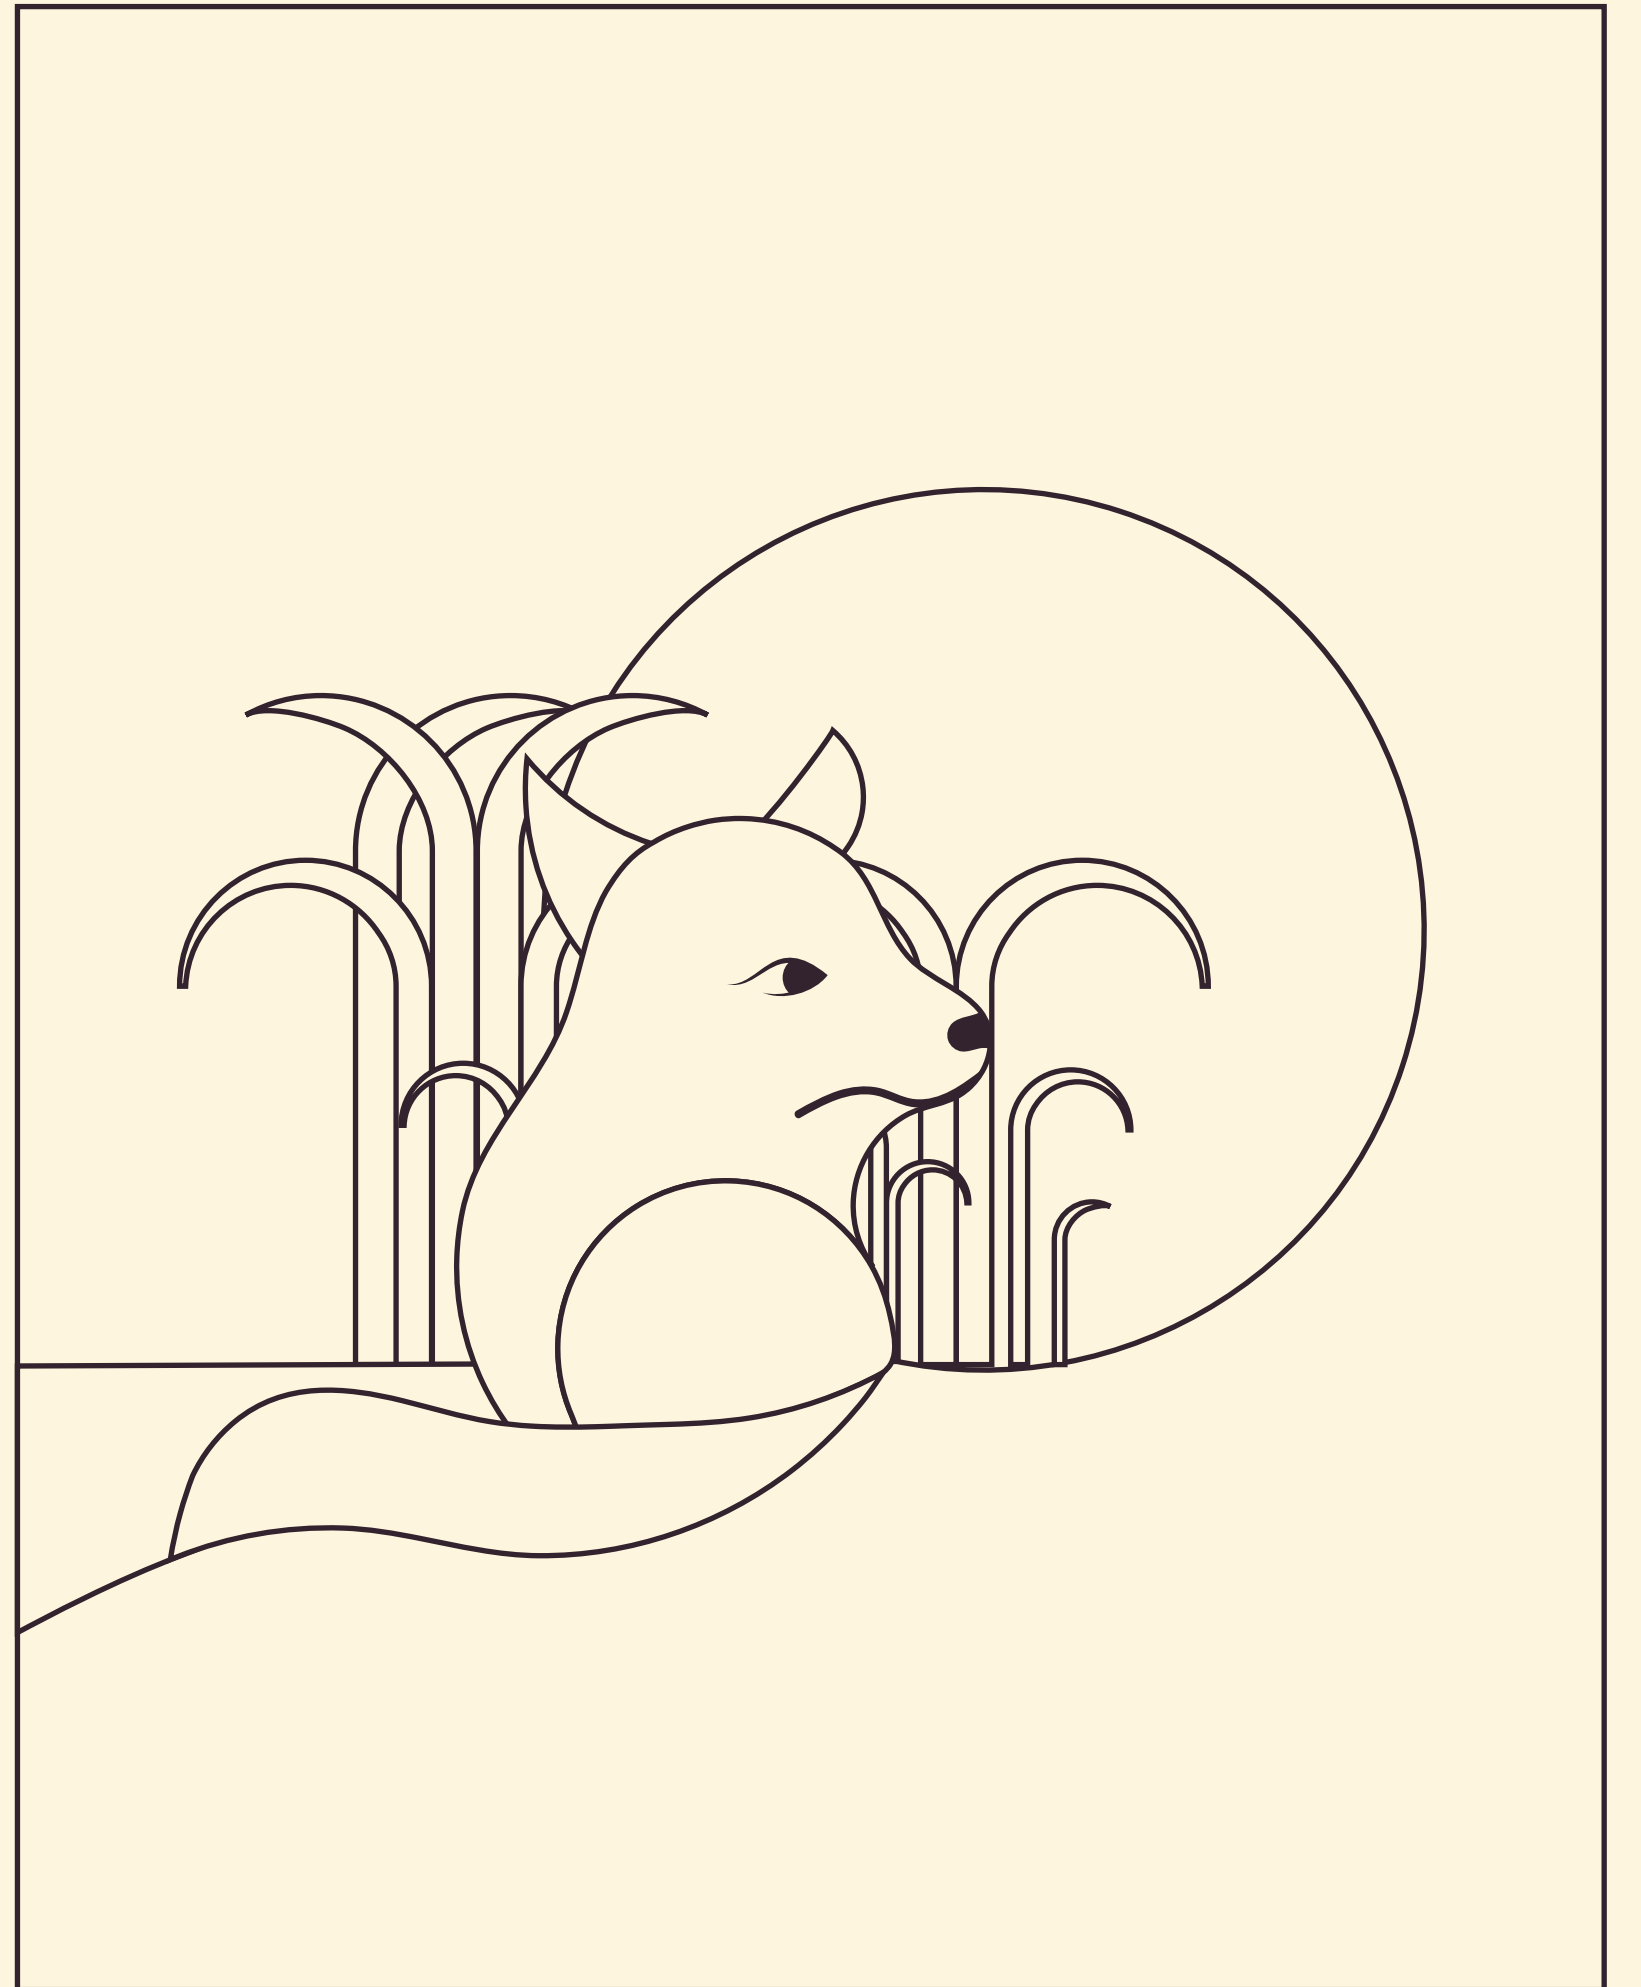

Butterfly over the flower

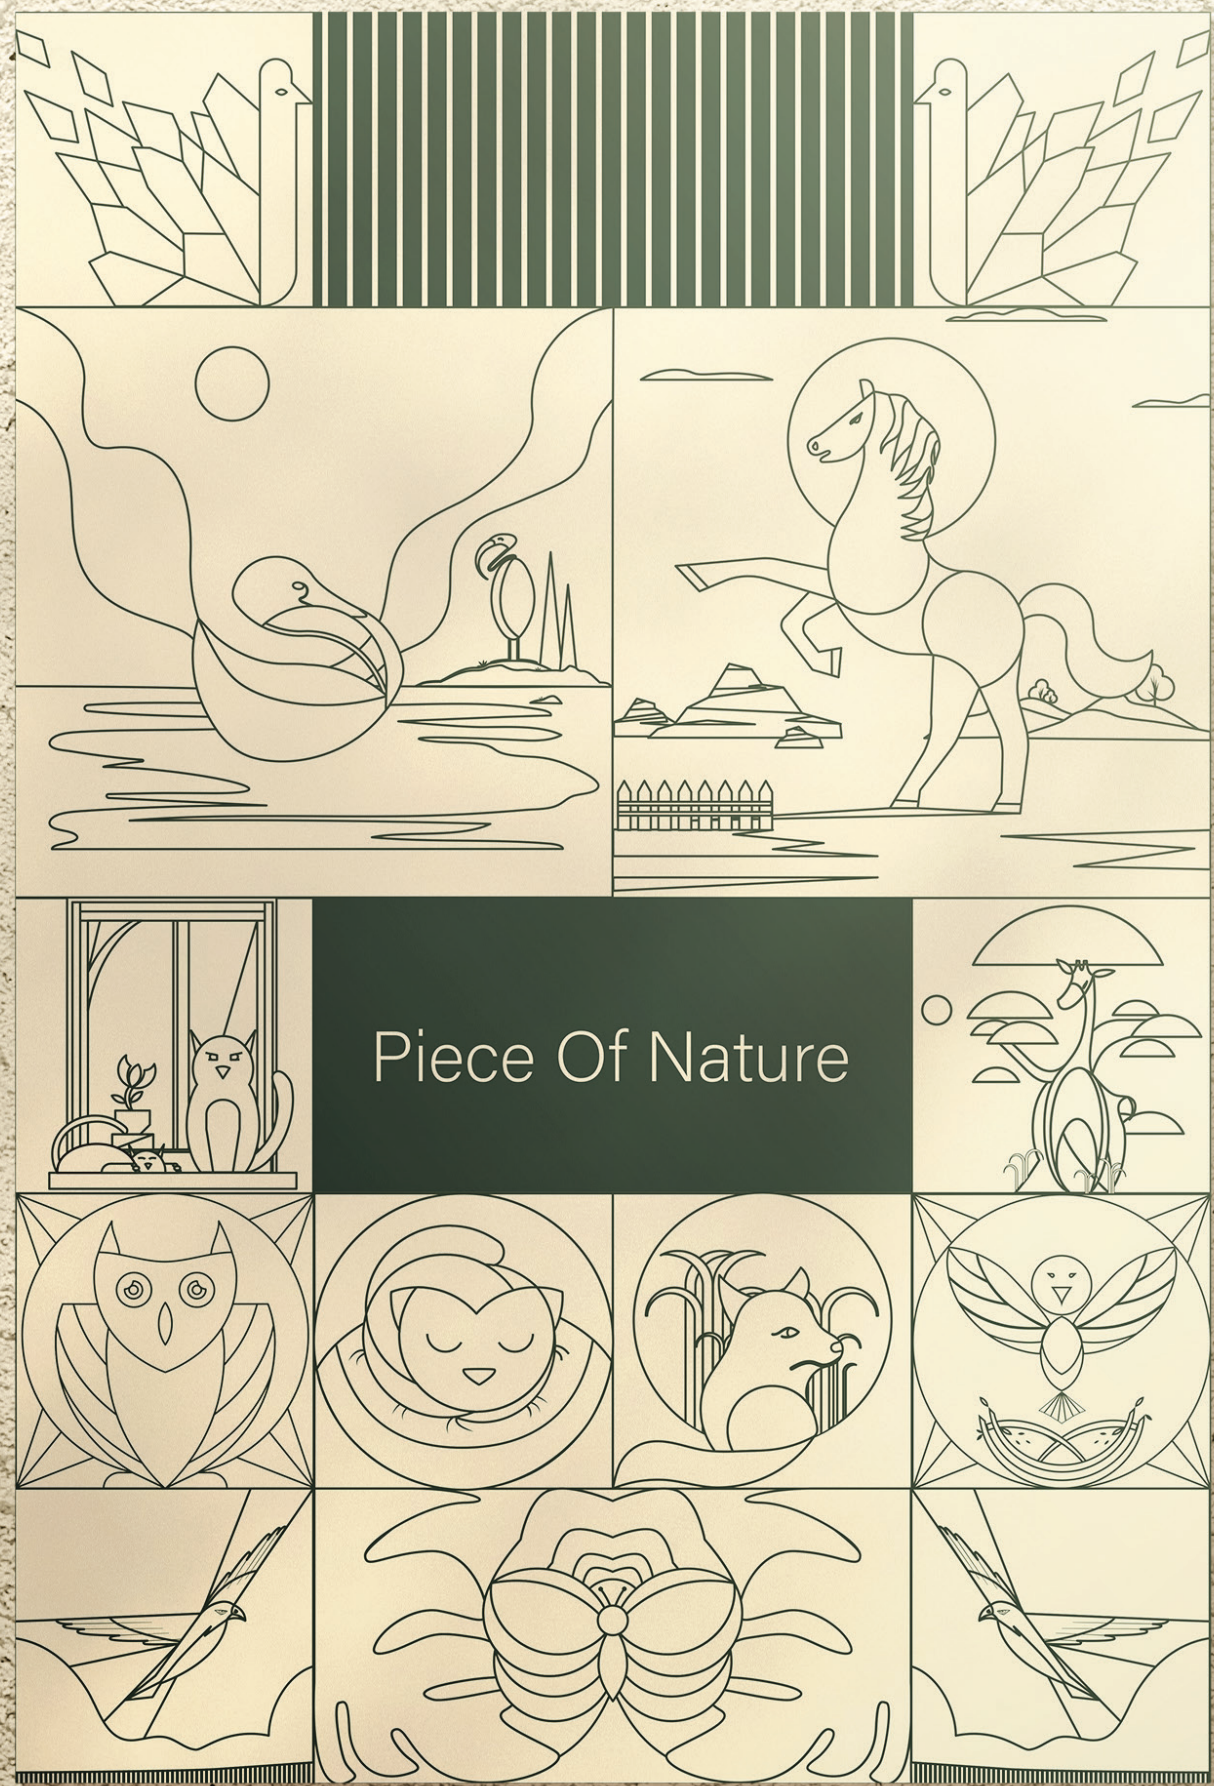

Relaxing cat

Graceful horse

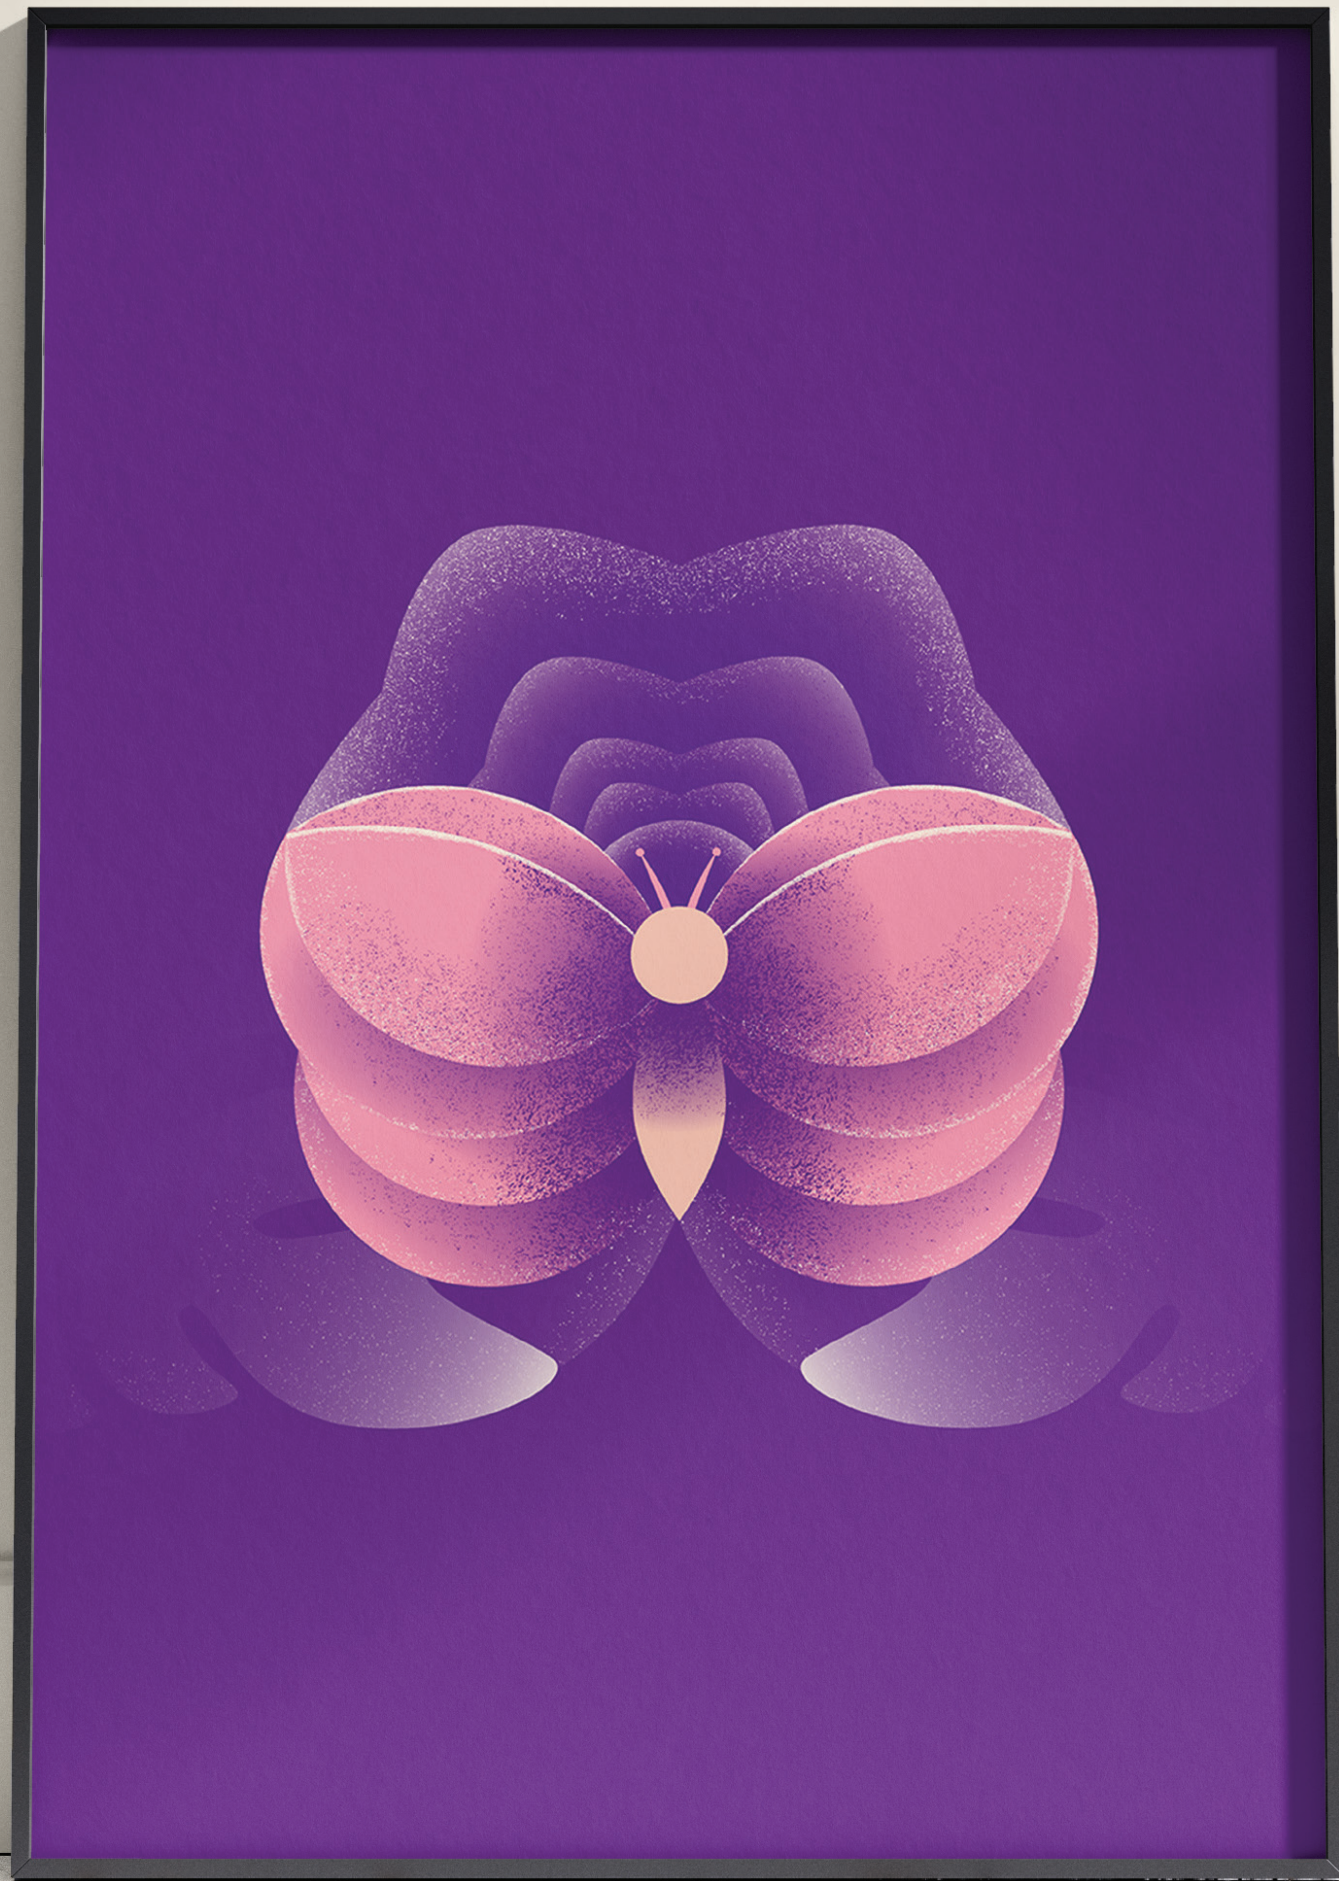

Wolf middle of a field
