WHERE DO YOU FIT IN?

QUESTION MARK

CAN YOU RELATE?

There isn't any one big test or way to validate ourselves
in the world. There's just a long, quiet process of finding
our place in it.

It's never too late to give up what you
are doing and start doing what you realize
you love.

-- Hans Rodding

But here I am, twenty-four and lost. I'm
practically walking in circles, not able to
find a place in the world. I keep going
around and around in this constant
motion, never finding a reason to stop
and just be. I'm always doing something,
Always moving. Never stagnant. It's sort
of exhausting.

My way of finding a place
in this world is to weed one.

About the project

This Poster collections is a testament to the power of creativity and its ability to communicate, inspire, and provoke thought.

In a world overflowing with information, I believe that visual communication holds a unique and vital place. It transcends language barriers, captures emotions, and encapsulates ideas in a single frame. My posters are not just aesthetically pleasing pieces of art; they are messages, narratives, and reflections of the world as we see it.

It is a diverse collection of posters, each one a microcosm of its theme. I have poured my passion, insights, and perspectives into these pieces, drawing inspiration from a wide range of topics, from nature's beauty to social justice, from historical events to futuristic visions.

Project goals

As you explore my poster project, I invite you to embark on a visual journey. Take a moment to immerse yourself in the colors, shapes, and messages I've carefully curated. Reflect on the stories they tell, the emotions they evoke, and the ideas they convey. My hope is that you'll find something that resonates with you, challenges your thinking, or sparks a conversation.

A burning desire is the starting point of all accomplishment. Just like a small fire cannot give much heat, a weak desire cannot produce great results.

Every person in the world has a story. Don't judge people before you truly know them. The truth might surprise you.

NOTHING BUT THE BEST

EMBRACE THE JOURNEY

EVERY SEASON HAS AN END FOR A HARVEST TO BEGIN. EMBRACE THE PROCESS !

Rise up, from anything, even that which you did not know was weighing you down. Rise up, walk with me and talk with me. You shine so bright in my Soul Bright, even in the night. Feel the release, set your Soul free. Breathe, in and out, with me. Together, we fly, soaring high. Looking back at all the weight left behind.

EMBRACE YOURSELF
AND YOUR FULL
POTENTIAL.

Inside.

Getting inside yourself is an introspective journey of self-discovery and self-awareness. It involves delving deep into your thoughts, emotions and values to gain a better understanding of who you are as an individual.

What is Hope?
It's the belief that things will get better.
It's the faith that you can make a difference.
It's the courage to stand up for what you believe in.

Inside.

Looking inside yourself is an uncomfortable journey of self-discovery. It's about understanding who you are and what you want. It's about getting a better understanding of who you are.
