Refresh Your Senses

Design & Retouching: Asmaa Muhi

About

Every detail of the packaging has been designed to evoke the healthy and beneficial nature of the tea, from the warm, nature-inspired colors.

The front of the package features an elegant design that catches the eye, with the name "Tea" showcased in beautiful Arabic calligraphy, giving the packaging authentic character.

At "Tea Palace," we believe that tea is not just a beverage but an experience that deserves to be complete in taste, quality, and design.
