# Case Study
Mawaheb MENA
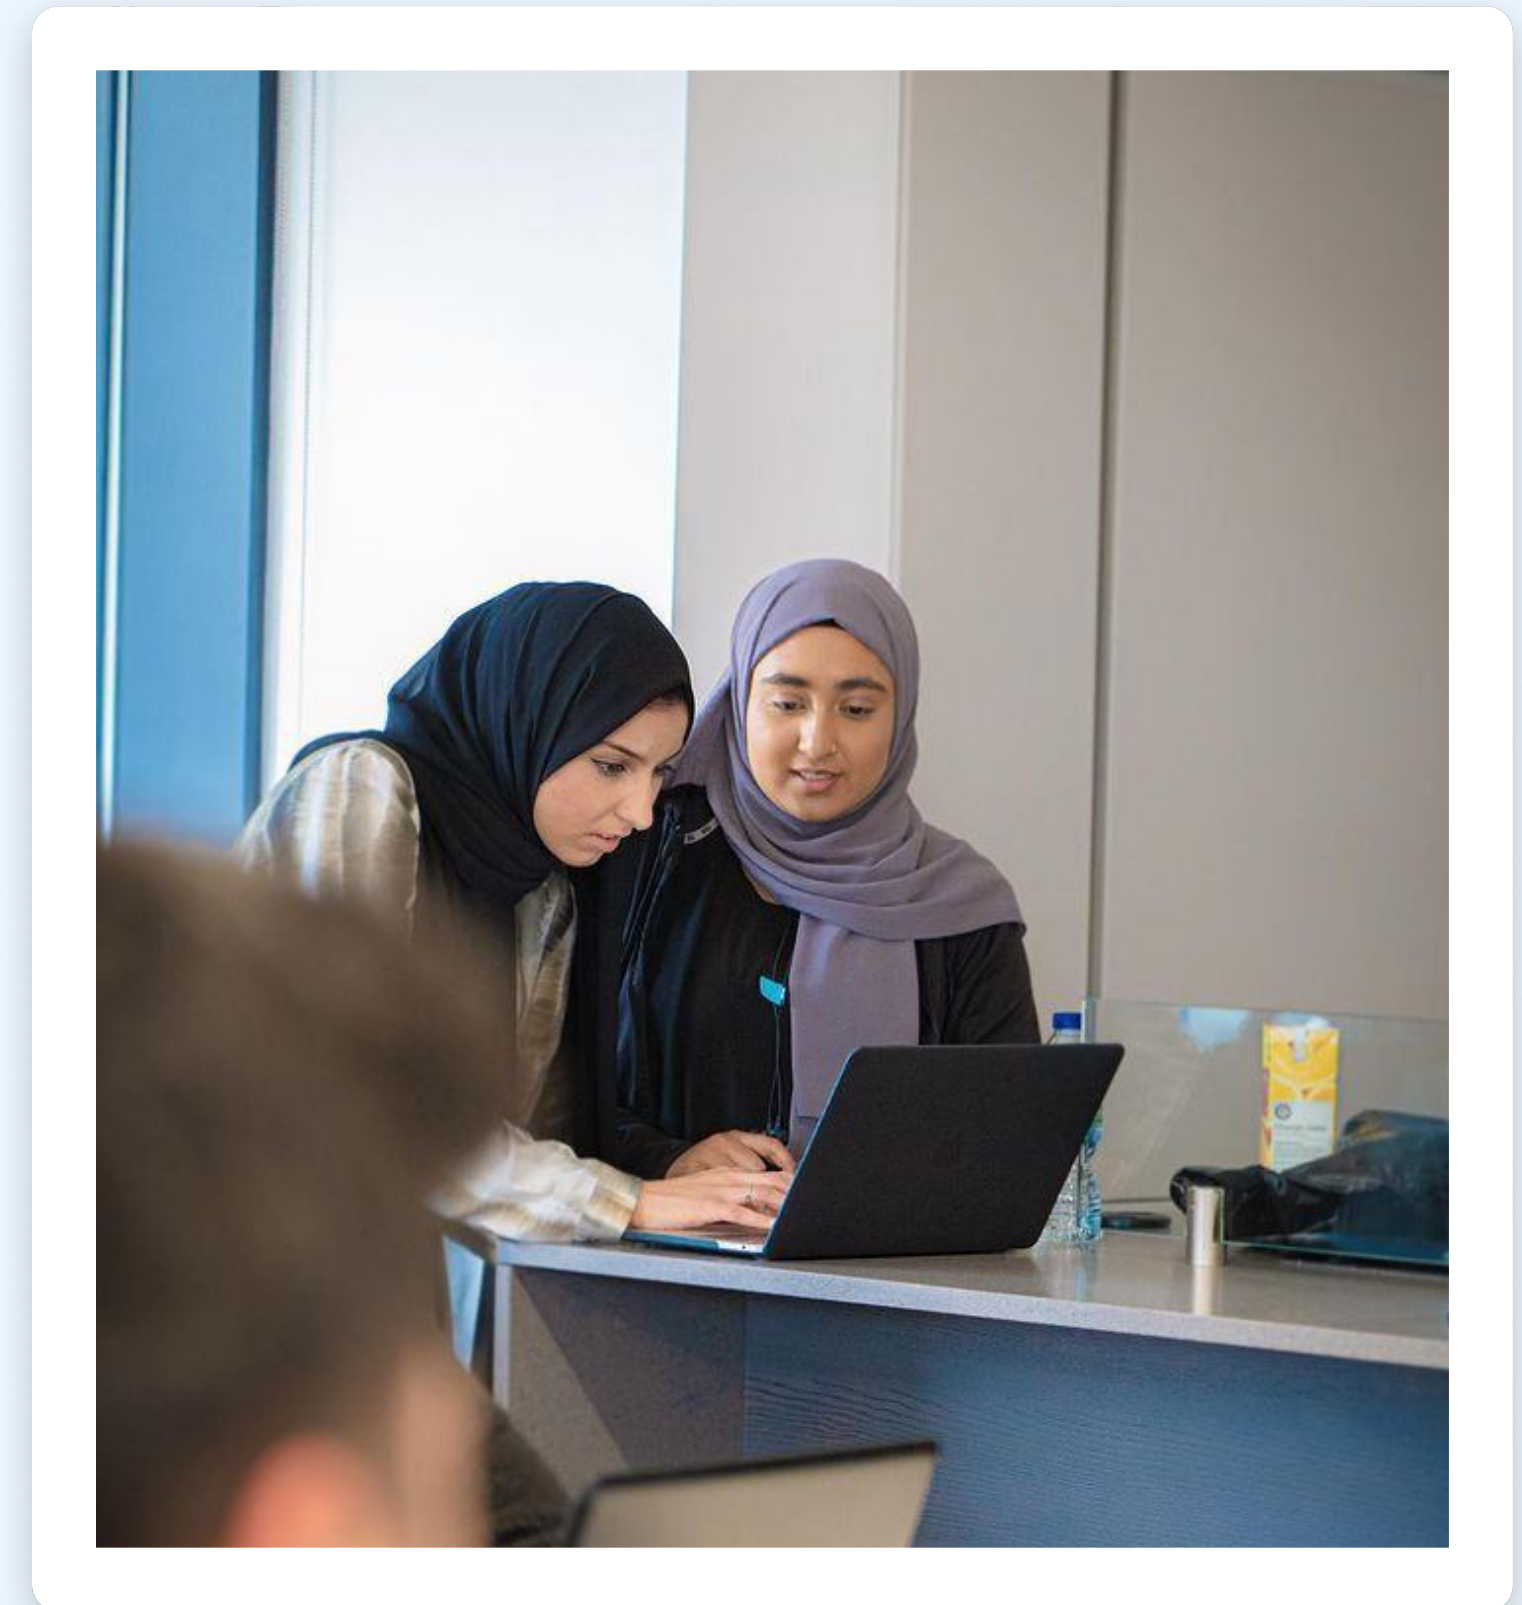

Empowering Freelance Futures

Darine Tleiss

Project Overview

Mawaheb MENA aims to transform the freelance scene in the MENA region. Our platform connects freelancers with clients while focusing on skill development and career advancement. We're committed to empowering freelancers to reach their highest potential and set new standards in the industry.
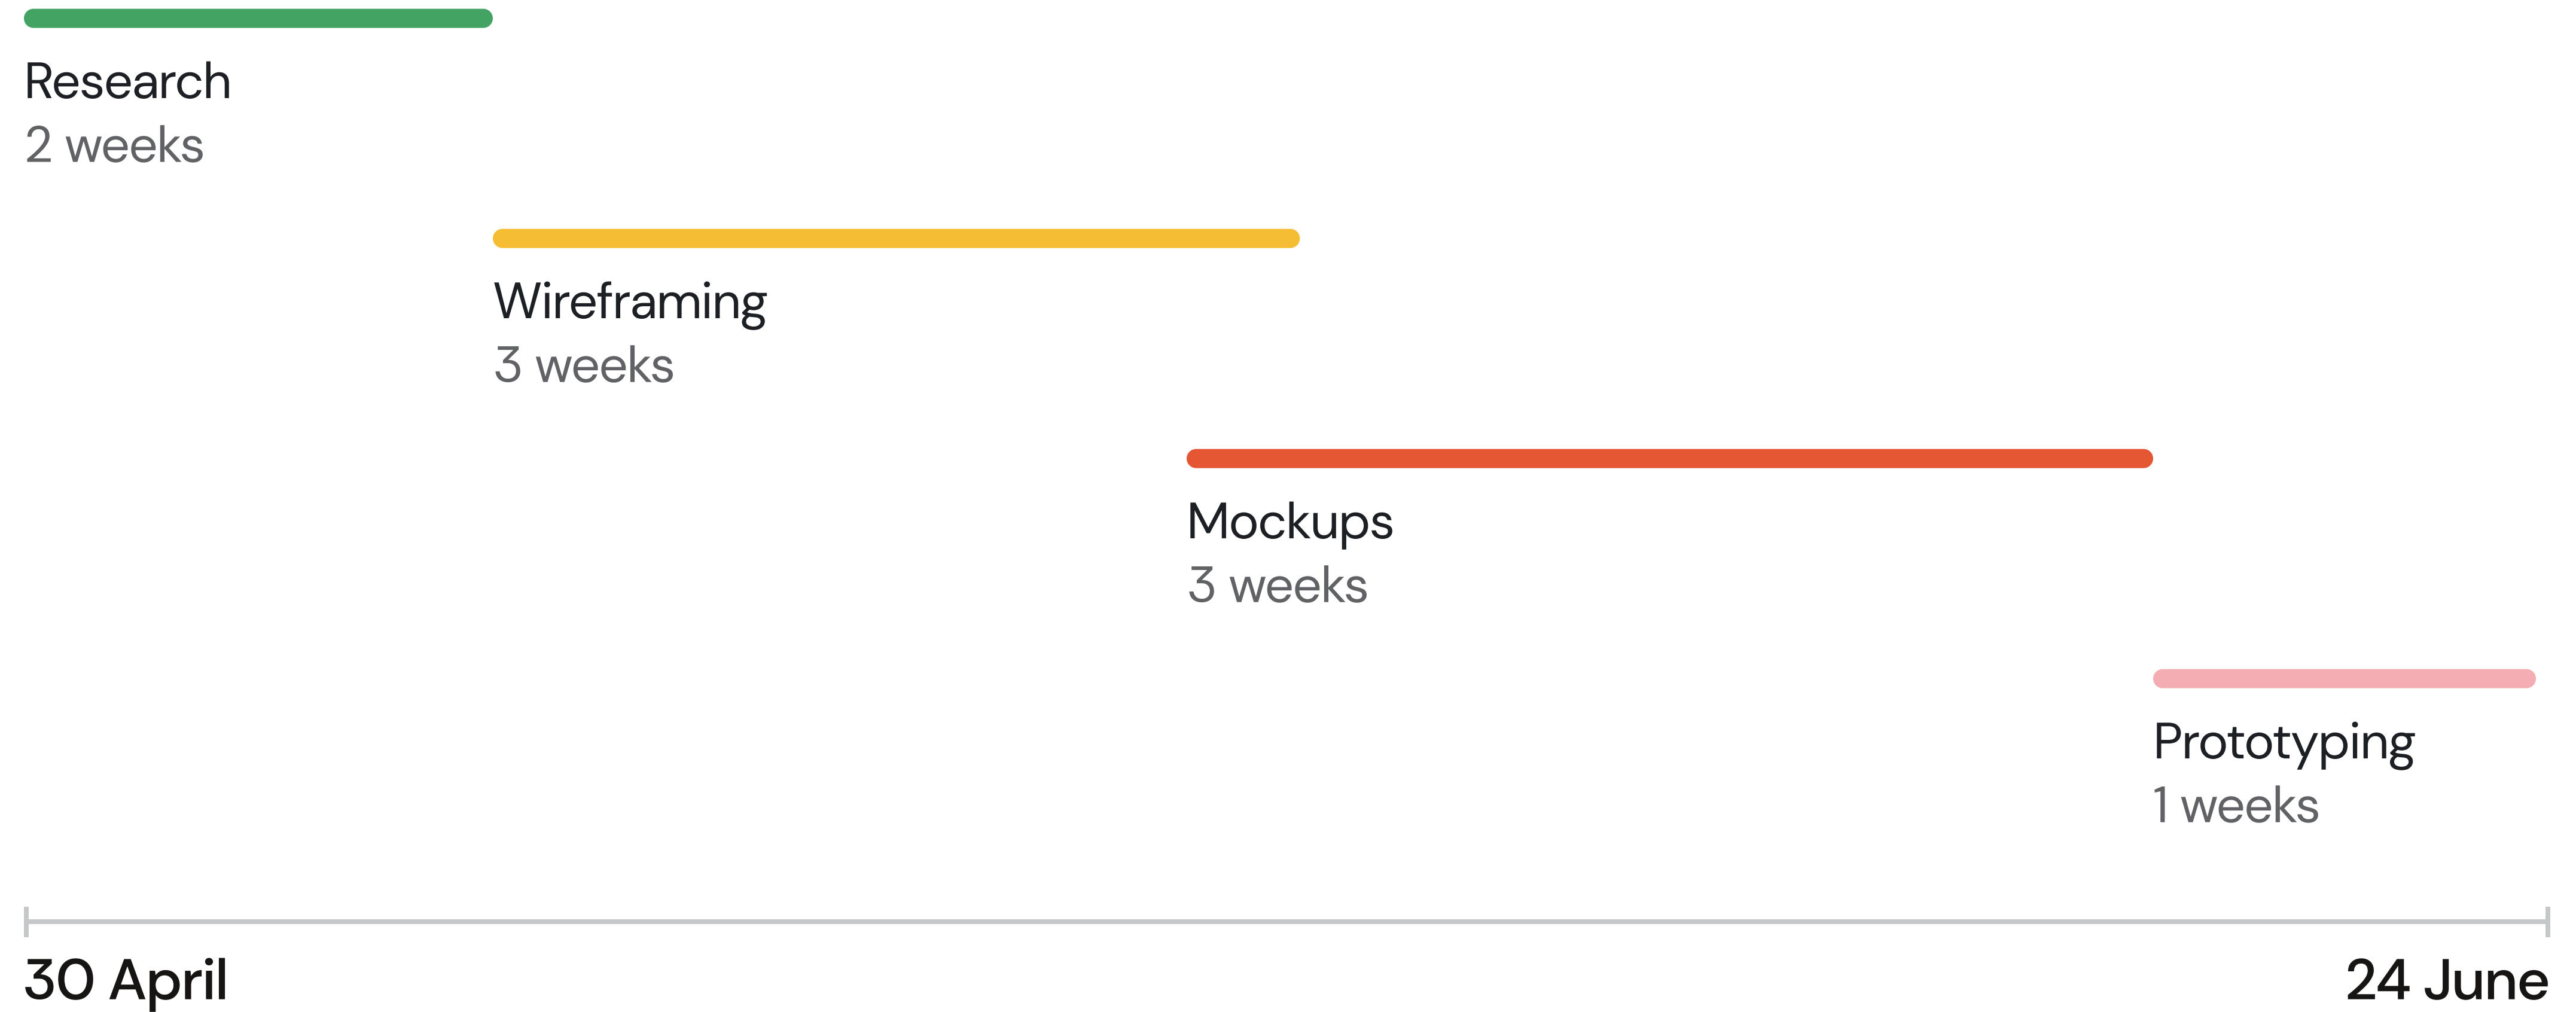

Role	UX UI designer
Length	2 months
Year	2024

Project timeline

Research
2 weeks

Wireframing
3 weeks

Mockups
3 weeks

Prototyping
1 weeks

30 April

24 June

Primary business goals

The primary business goals for this project are

Establish a comprehensive verification procedure.

Improve skills training and upskilling initiatives.

Enhance the algorithms for matching clients with freelancers.

Improve brand recognition and build trust

> " As a freelancer from MENA, I want diverse job options, easy payments, and a user-friendly platform. Limited market access and language barriers are my main challenges.
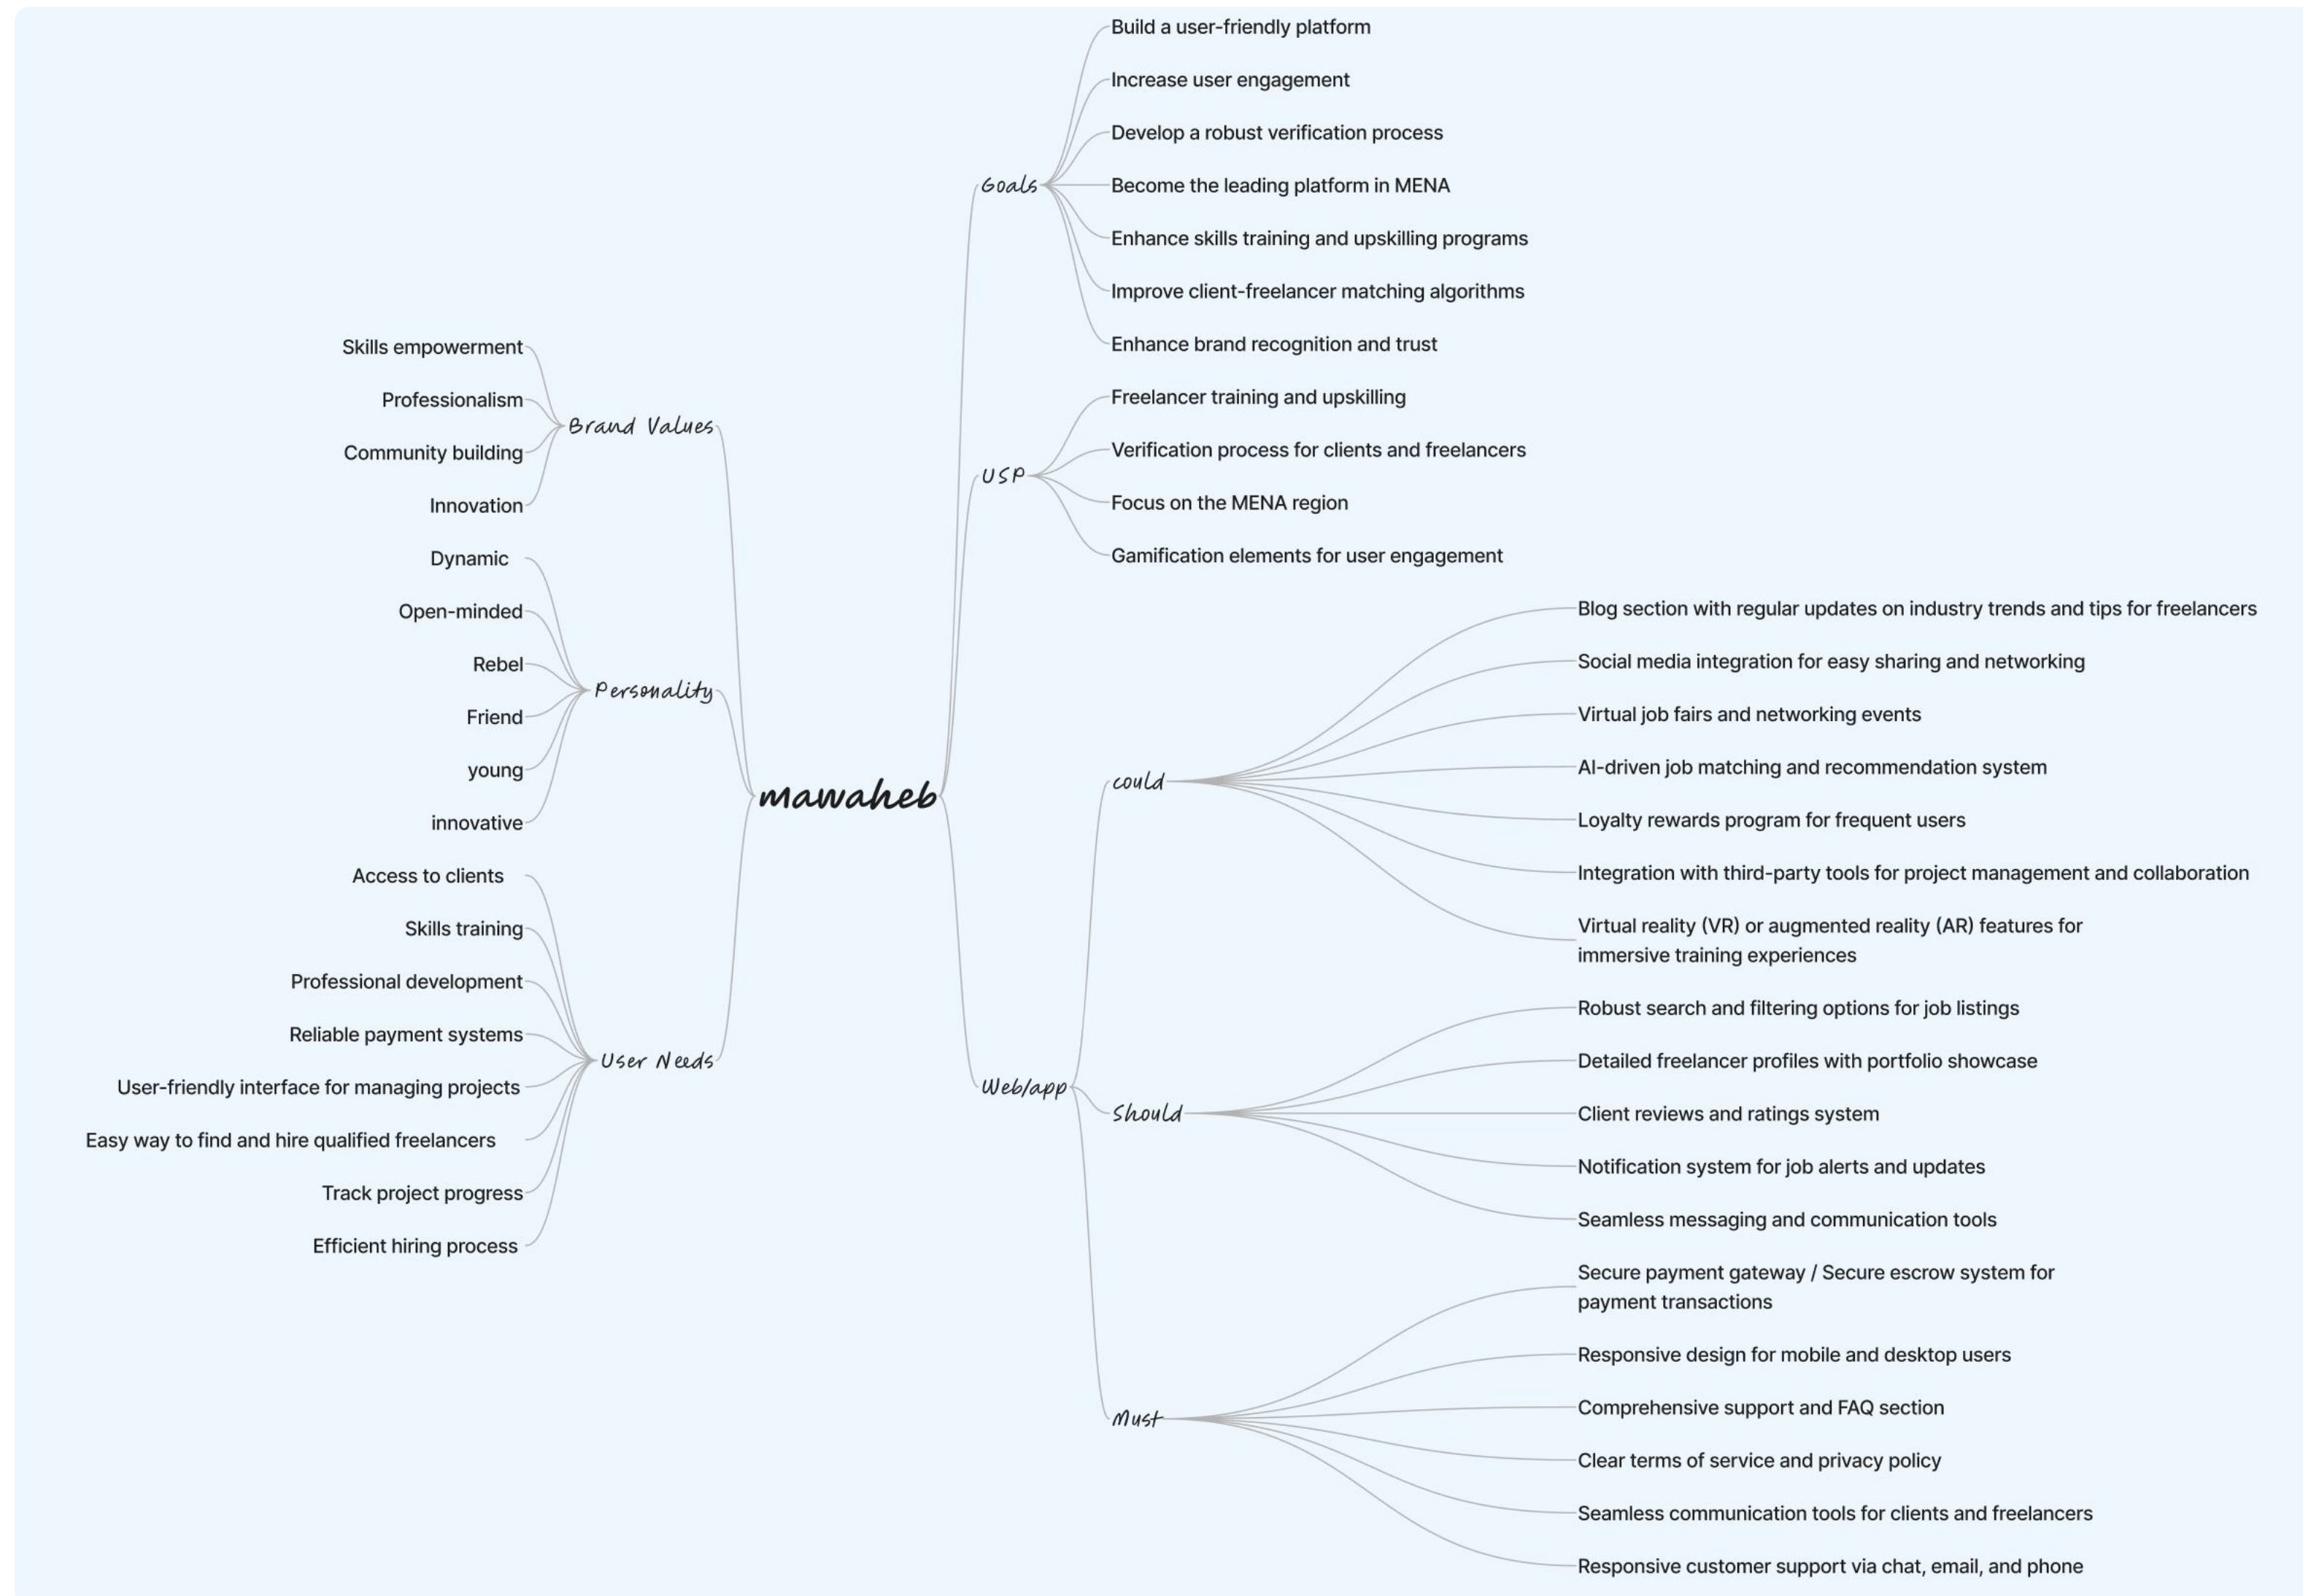

Christina Mansour | 24 yo

"

As a business owner needing freelance services, I aim to easily find and hire qualified freelancers, track project progress, and ensure timely delivery of quality work.

Omar Bin Khaled | 45 yo

Mind Mapping

mawaheb

Goals

USP
- Freelancer training and upskilling
- Verification process for clients and freelancers
- Focus on the MENA region
- Gamification elements for user engagement

Brand Values
- Skills empowerment
- Professionalism
- Community building
- Innovation

Personality
- Dynamic
- Open-minded
- Rebel
- Friend
- young
- innovative

User Needs
- Access to clients
- Skills training
- Professional development
- Reliable payment systems
- User-friendly interface for managing projects
- Easy way to find and hire qualified freelancers
- Track project progress
- Efficient hiring process

Weblapp

could
- Blog section with regular updates on industry trends and tips for freelancers
- Social media integration for easy sharing and networking
- Virtual job fairs and networking events
- AI-driven job matching and recommendation system
- Loyalty rewards program for frequent users
- Integration with third-party tools for project management and collaboration
- Virtual reality (VR) or augmented reality (AR) features for immersive training experiences

Should
- Robust search and filtering options for job listings
- Detailed freelancer profiles with portfolio showcase
- Client reviews and ratings system
- Notification system for job alerts and updates
- Seamless messaging and communication tools

Must
- Secure payment gateway / Secure escrow system for payment transactions
- Responsive design for mobile and desktop users
- Comprehensive support and FAQ section
- Clear terms of service and privacy policy
- Seamless communication tools for clients and freelancers
- Responsive customer support via chat, email, and phone

MAWAHEB

We CONNECT Talent To Drive Success

We envision Mawaheb MENA as the paramount platform where talent meets opportunity, revolutionizing the freelance landscape in the MENA region and beyond.

Our purpose is to serve as a catalyst for growth and opportunity, bridging the gap between talent and success in the MENA freelance ecosystem. We exist to empower freelancers with the skills, resources, and connections they need to thrive, while providing clients with access to top-tier professionals who can bring their jobs to life.

Our mission is to uplift the freelance community in the MENA region by providing top-notch skills training, robust verification processes, and unparalleled opportunities for growth and collaboration.

HERE'S HOW WE MAKE A DIFFERENCE

1 Pursuing Excellence
We relentlessly pursue excellence in all aspects of our work, striving to deliver exceptional quality and value to our clients and freelancers alike.

2 Upholding Integrity
We conduct ourselves with unwavering honesty, transparency, and accountability, fostering trust and reliability in all our relationships.

Tailored Software Solutions
Harness the expertise of top-notch freelancers proficient in a wide array of skills to craft outstanding digital products tailored to your needs. Our curated talent pool includes specialists in front-end and back-end development, design, content creation.

Expert Freelancer Matching
Let us assist you in finding exceptional freelancers who can deliver outstanding results for your next big idea. Our platform connects you with top talent, ensuring your projects are completed with the highest level of quality and professionalism.

AI-Powered Matchmaking
Utilize our AI matching system to connect with the perfect freelancers who possess the precise skills to bring your vision to life. Experience seamless project execution with talent tailored to your specific needs, ensuring exceptional quality and results.

Comprehensive Crew Formation
Build your complete crew of talented freelancers with us, ensuring every aspect of your jobs is handled perfectly. From project initiation to final delivery, our experts will manage every detail, providing you with exceptional quality and seamless execution.

HOW IT WORKS

Step 01
Get in Touch
Start by reaching out to our team to begin the process. Whether you have a clear vision or need guidance, we're here to assist you every step of the way.

Step 02
Define Your Vision
Let's delve into the specifics of your jobs. Share your objectives, requirements, and any preferences you have regarding the skill set or experience of the freelancer you're looking for.

Step 03
AI-Powered Matchmaking
Our cutting-edge AI matching tool will analyze your jobs details and match you with the most suitable freelancer from our talented pool. With precision and efficiency, we ensure you're paired with the perfect match.

Step 04
Unlock Success
Once the match is made, you're on your way to success. Leverage the expertise of your matched freelancer as they bring your jobs to life. From development to delivery, we're dedicated to ensuring your satisfaction and the success of your jobs.

About
Hello, I'm Darine a UI/UX designer. My main mission is to turn your ideas into reality by building your first product prototype and transforming it into a fully functional front-end solution that take your online presence to the next level.

Projects
E-Commerce Website Redesign
As a UI/UX freelancer, I successfully redesigned the UI/UX of an established e-commerce website, resulting in a significant improvement in user engagement and conversion rates. Key Achievements:
- Conducted comprehensive user research and analyzed website analytics to identify key pain points and opportunities for improvement.
- Developed detailed wireframes, prototypes, and high-fidelity mockups that enhanced the visual appeal and usability of the site.

Work History

UI UX Designer
Media Lab Bayern | Oct 2022 - Dec 2023
As a UI/UX designer, I successfully redesigned the UI/UX of an established e-commerce website, resulting in a significant improvement in user engagement and conversion rates. Key Achievements:
Conducted comprehensive user research and analyzed website analytics to identify key pain points and opportunities for improvement.
Developed detailed wireframes, prototypes, and high-fidelity mockups that enhanced the visual appeal and usability of the site.
